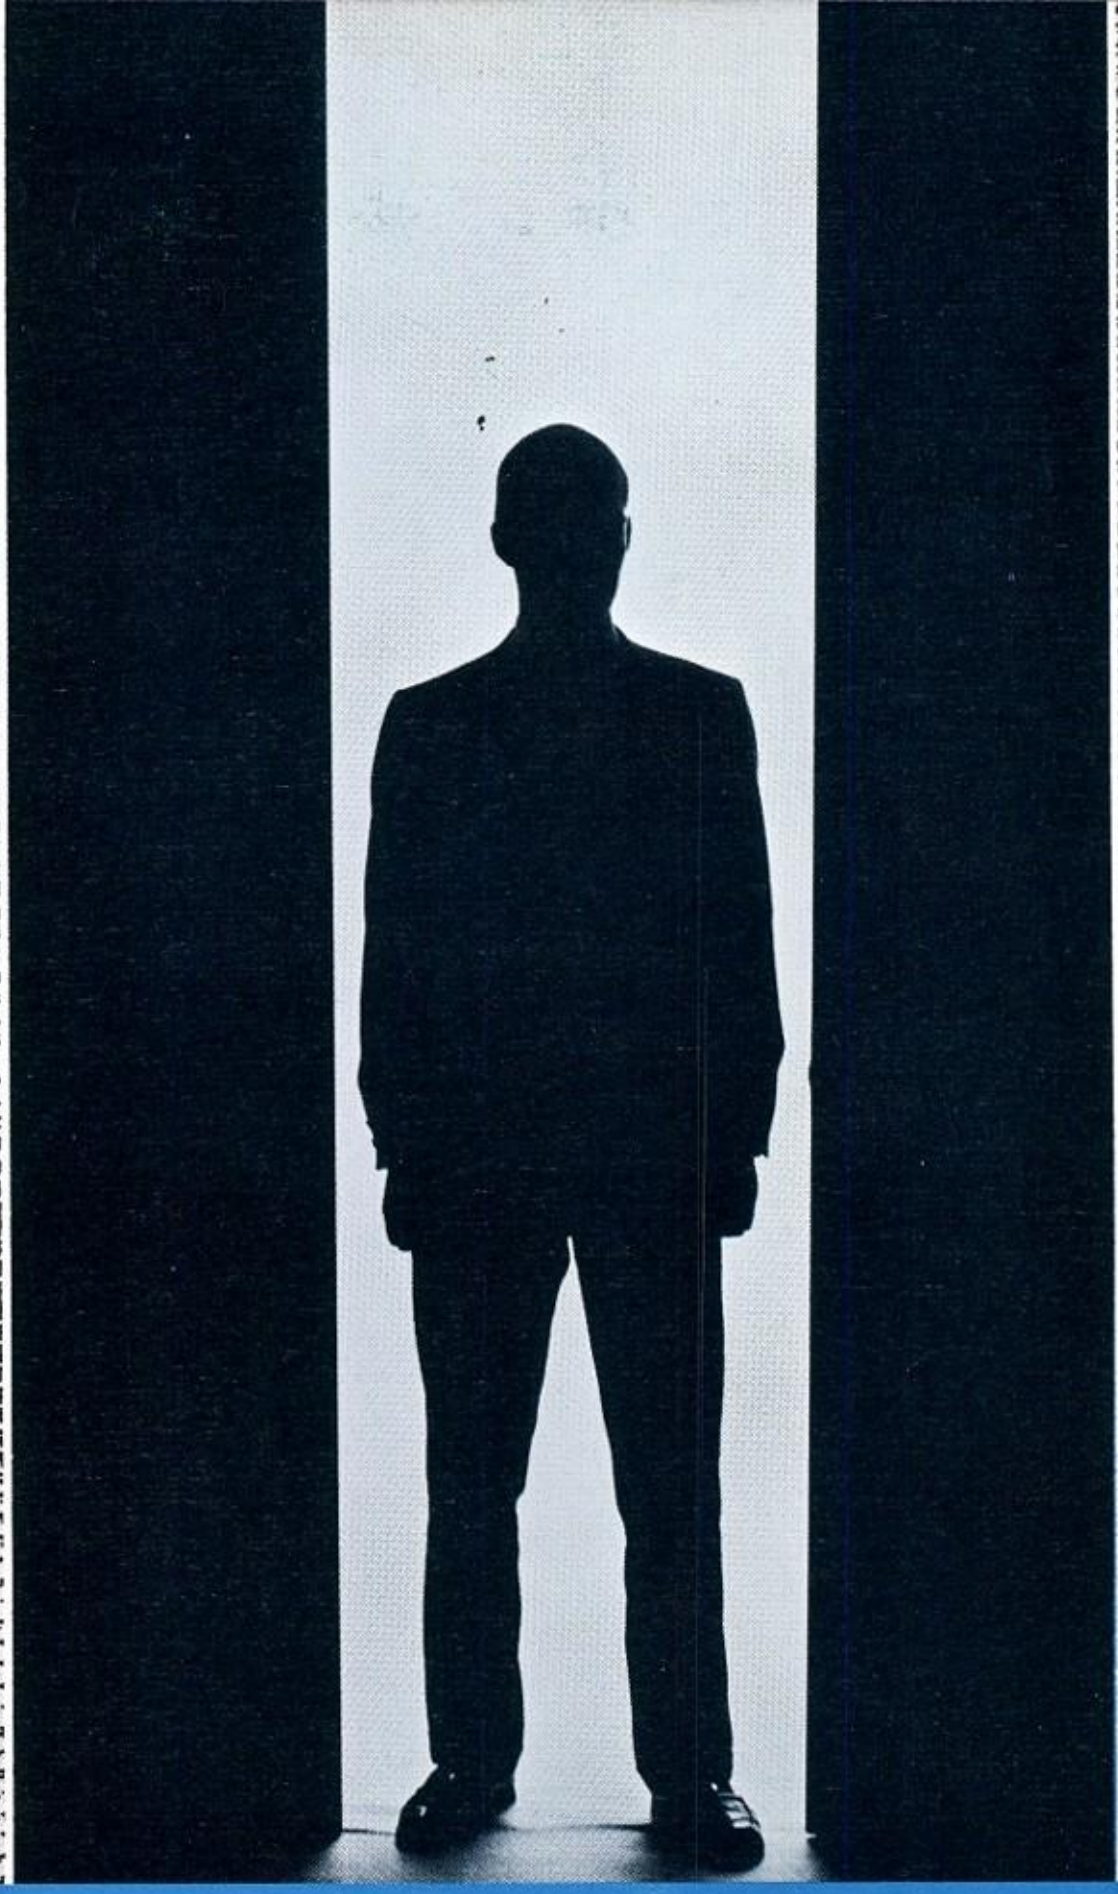
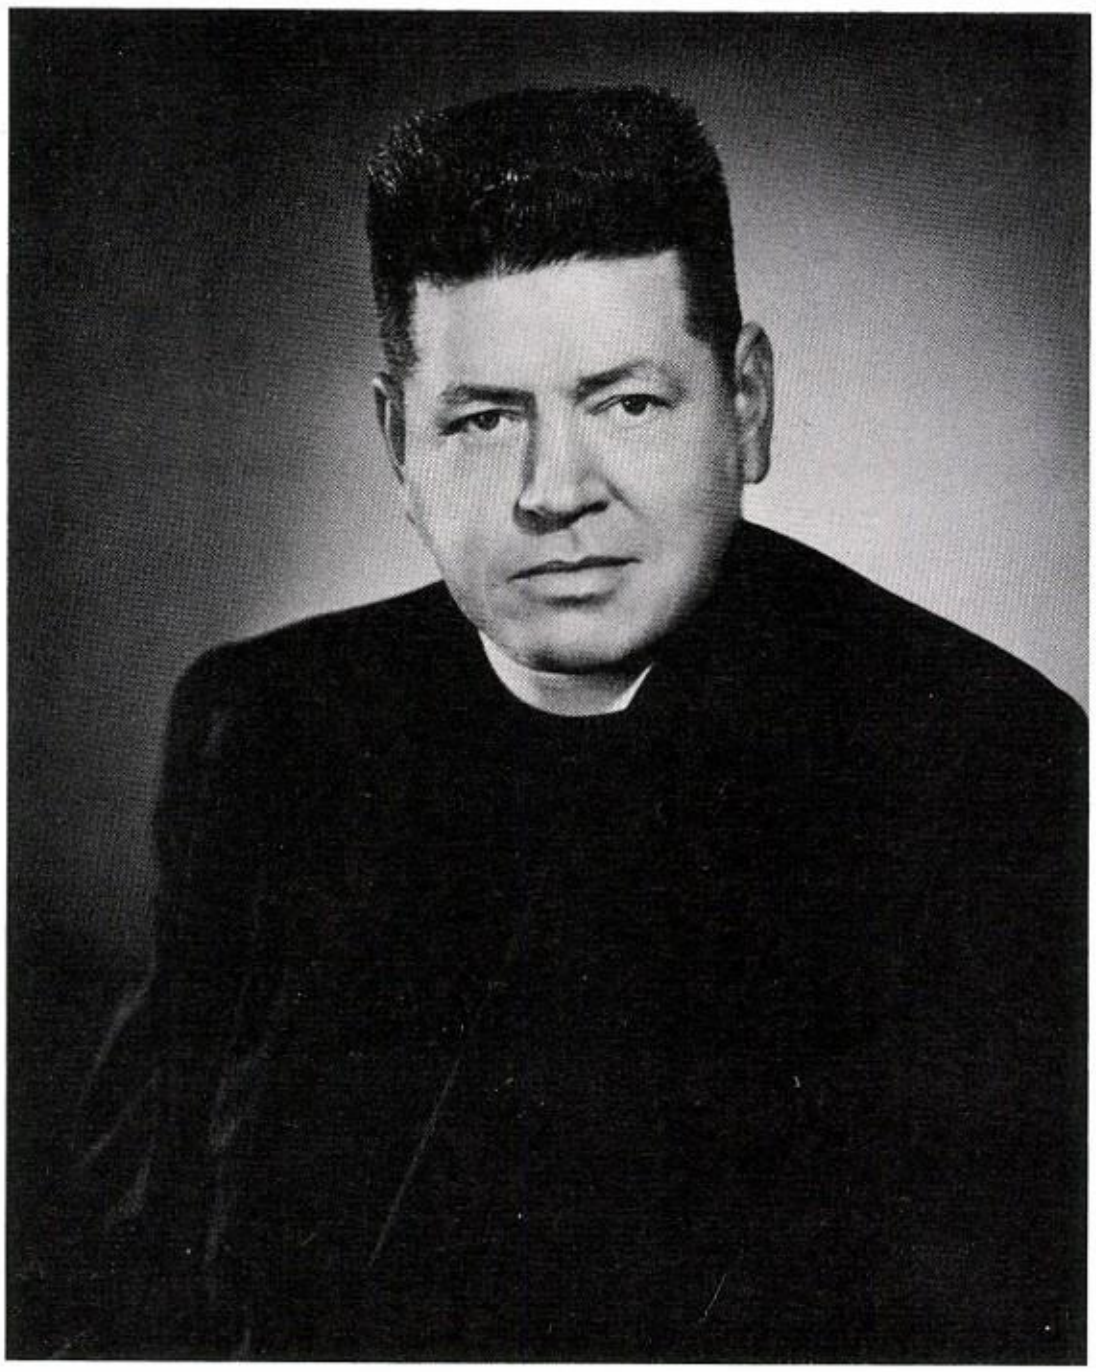
SAINT



TSMAN

Dedication...



Very Reverend John R. Aherne, O.S.A., L.L.D.

It is a remarkable thing to consider that for half of our school's forty year existence, the efforts of one man have been evident in shaping an insitution whose very name means quality. Through the years Saint Augustine High School has proved itself to a seemingly indifferent community. Father John R. Aherne has been the dominant figure in our climb to public view. Innumerable obstacles have arisen which could have had a caustic effect on our growth. Yet we survived; and more, we grew!

His intelligence, his foresight, yes, even his stern criticisms have been the obscured factors behind our distinctive record. No other school in San Diego can claim the eminence that today is ours.

To this man of rare talents, in gratitude, we dedicate the SAINTSMAN of nineteen hundred and sixty-two.

St. Augustine

FORTY YEARS... FOUR

Just forty years ago in September of 1922, there arrived in the struggling young community of San Diego, Father Martel, a priest of the Augustinian Order. His purpose: the establishment of a high school for Catholic boys of this area. Sixteen days after his arrival, this zealous priest began instruction for eighteen students in a frame building belonging then to the parish of St. Vincent. This humble beginning was the founding of Saint Augustine High School, an institution destined for 35 years to be the sole secondary educational institution in San Diego for Catholic boys. On the Feast of St. Augustine the following year the clergy of San Diego assembled for the dedication of a newly constructed monastery and classroom building at the present site of 33rd and Nutmeg Streets.

VASEY HALL, the original classroom building and chapel, now serves primarily as the administrative center of the school.

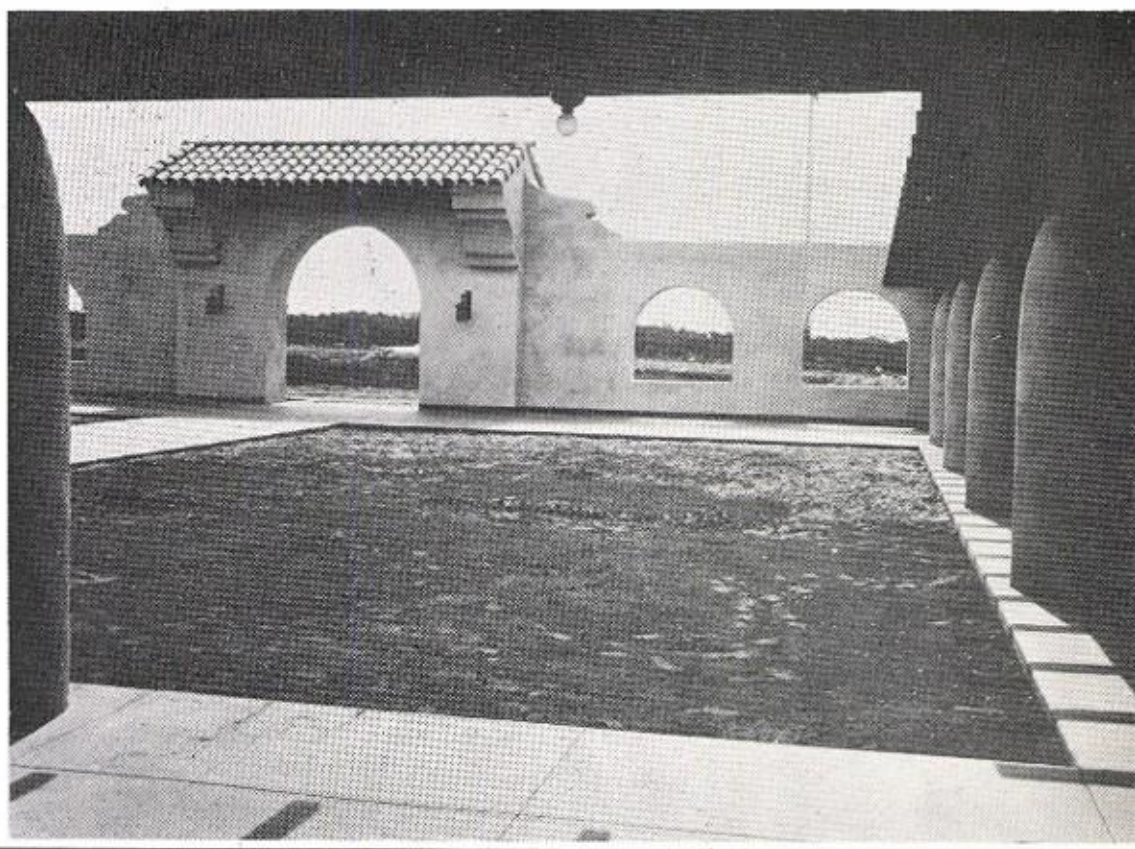
DECADES OF CATHOLIC EDUCATION

San Diego has grown from the barely noticed whistle-stop of 1922 into a prominent and prosperous city. Paralleling San Diego's post-war growth, St. Augustine High School has expanded to meet the ever pressing demands of an increasing Catholic community. The addition of fourteen classrooms, a gym, and an administrative center, along with an enlarged monastery has enabled the Augustinian Fathers to care for the needs of the present student body. With the passage of forty years St. Augustine's has grown to a capacity of 750 students, a far cry from those original eighteen.

A desolate scene greeted students who looked beyond the archs of the patio in the opening year of 1923. (Photo from Union Title Insurance and Trust Company Historical Collection)



THE PATIO, a familiar sight to every student who has called himself a Saintsman.

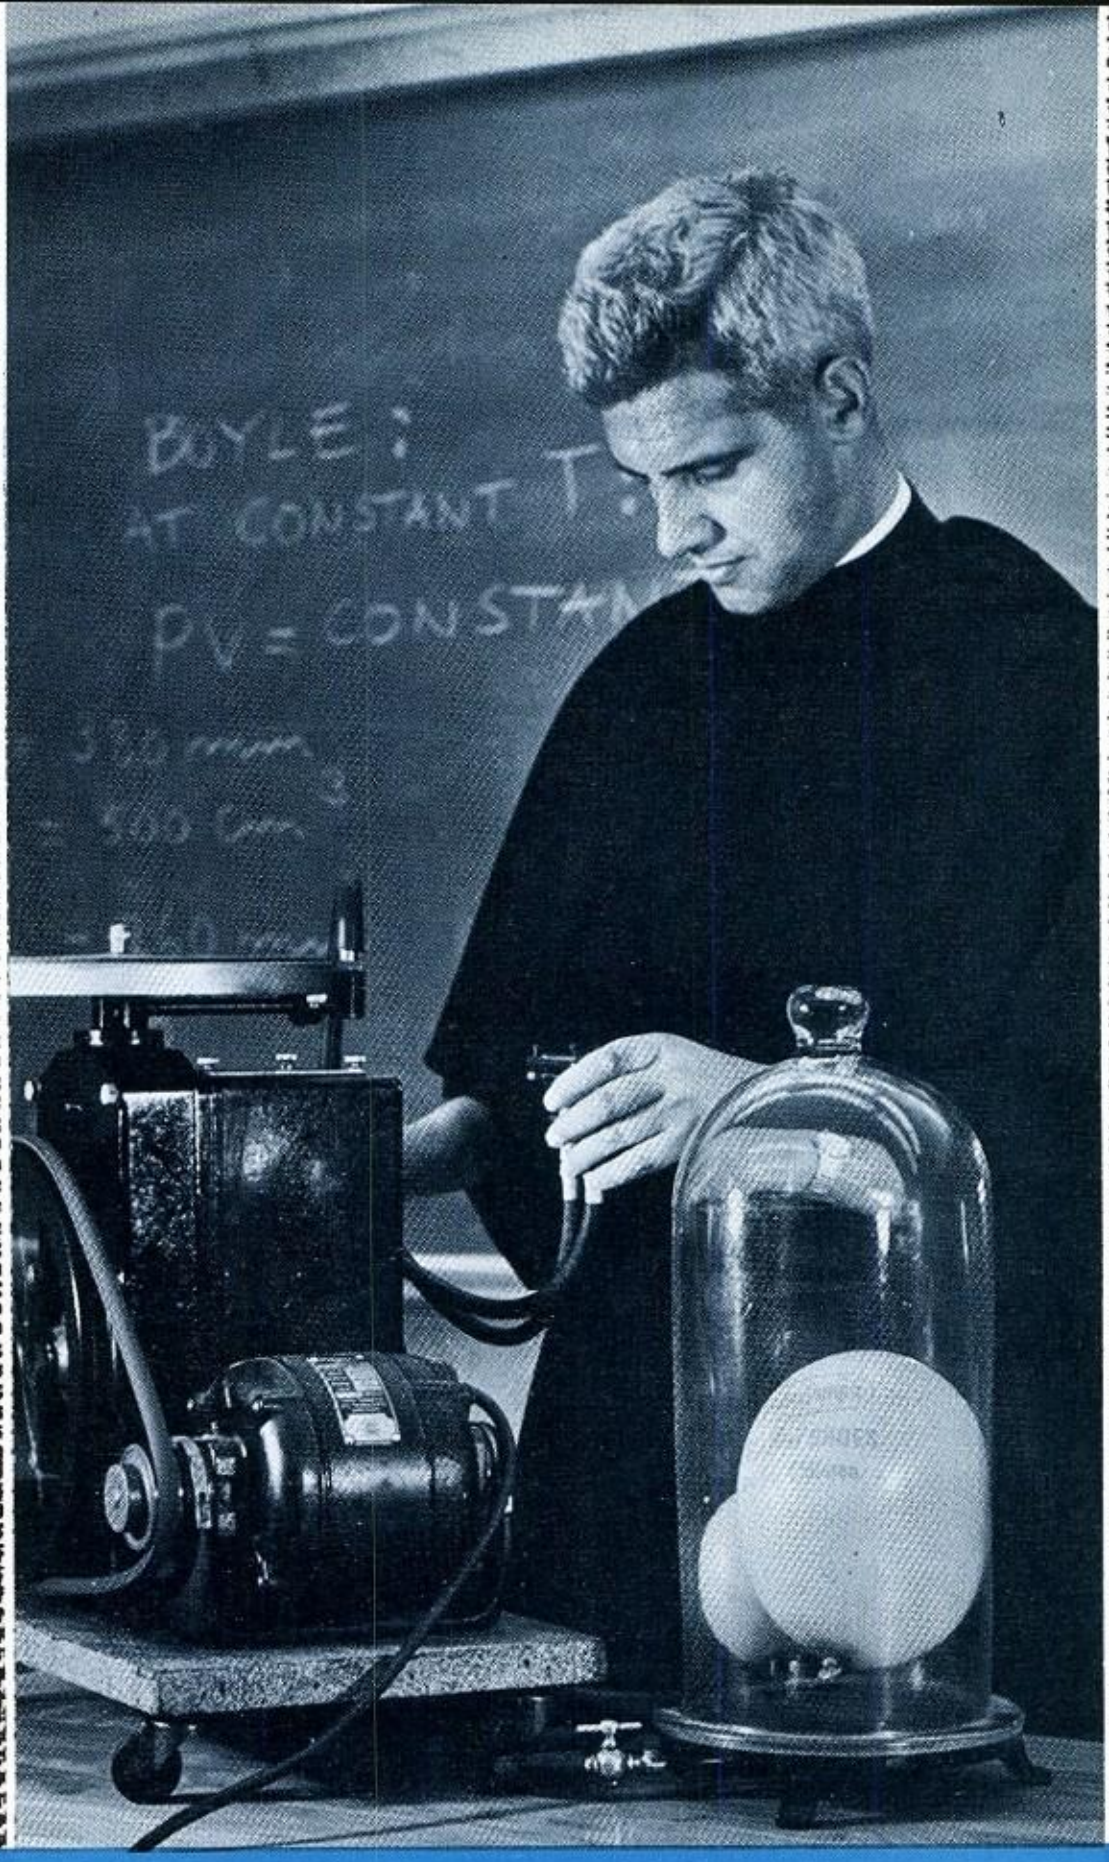
FACULTY



It is here that St. Augustine High School begins. It is here, from the mind of each man who has captured the light of learning that our education evolves. Each faculty member is charged with the task of instilling into his students that light. Indeed we are fortunate to have men of such calibre. It remains for us only to apply ourselves.

Alma Mater

When the twilight shadows gather
Out upon the campus green,
When the blue and purple night
Comes stealing on the scene;
Loyal Sons of Saint Augustine
Sing a hymn of praise,
To our dear old Alma Mater
And our high school days.

Saint Augustine, Saint Augustine
When we leave your shelt'ring walls,
We shall leave an echo ringing
Through your treasured halls.
We will leave an echo ringing
In the starlight cold
While our memories are singing
"Purple and the Gold."

When the last big game is over
When the last roll call is heard,
When the oldest pedagogue
Has had his final word,
We shall come to Alma Mater
In our dreams again
With a prayer for Saint Augustine
And a strong Amen.

To Be a Senior...

What is it to be a senior? What is it to assume the responsibility of being elder Saintsmen? The 38th group of men to approach graduation at this institution can give you the answer. It is hard work. And when it is done and done well, it is fun and sports and the vivification of an ever-growing tradition. Behind all this as motivation is pride. The students of St. Augustine High School assume a pride as freshmen that grows and matures as underclassmen. Then as seniors these men are seen to haved lived up to the standards set by the world's oldest and most revered order of teaching friars. What is it to be a senior? This page serves as an answer.

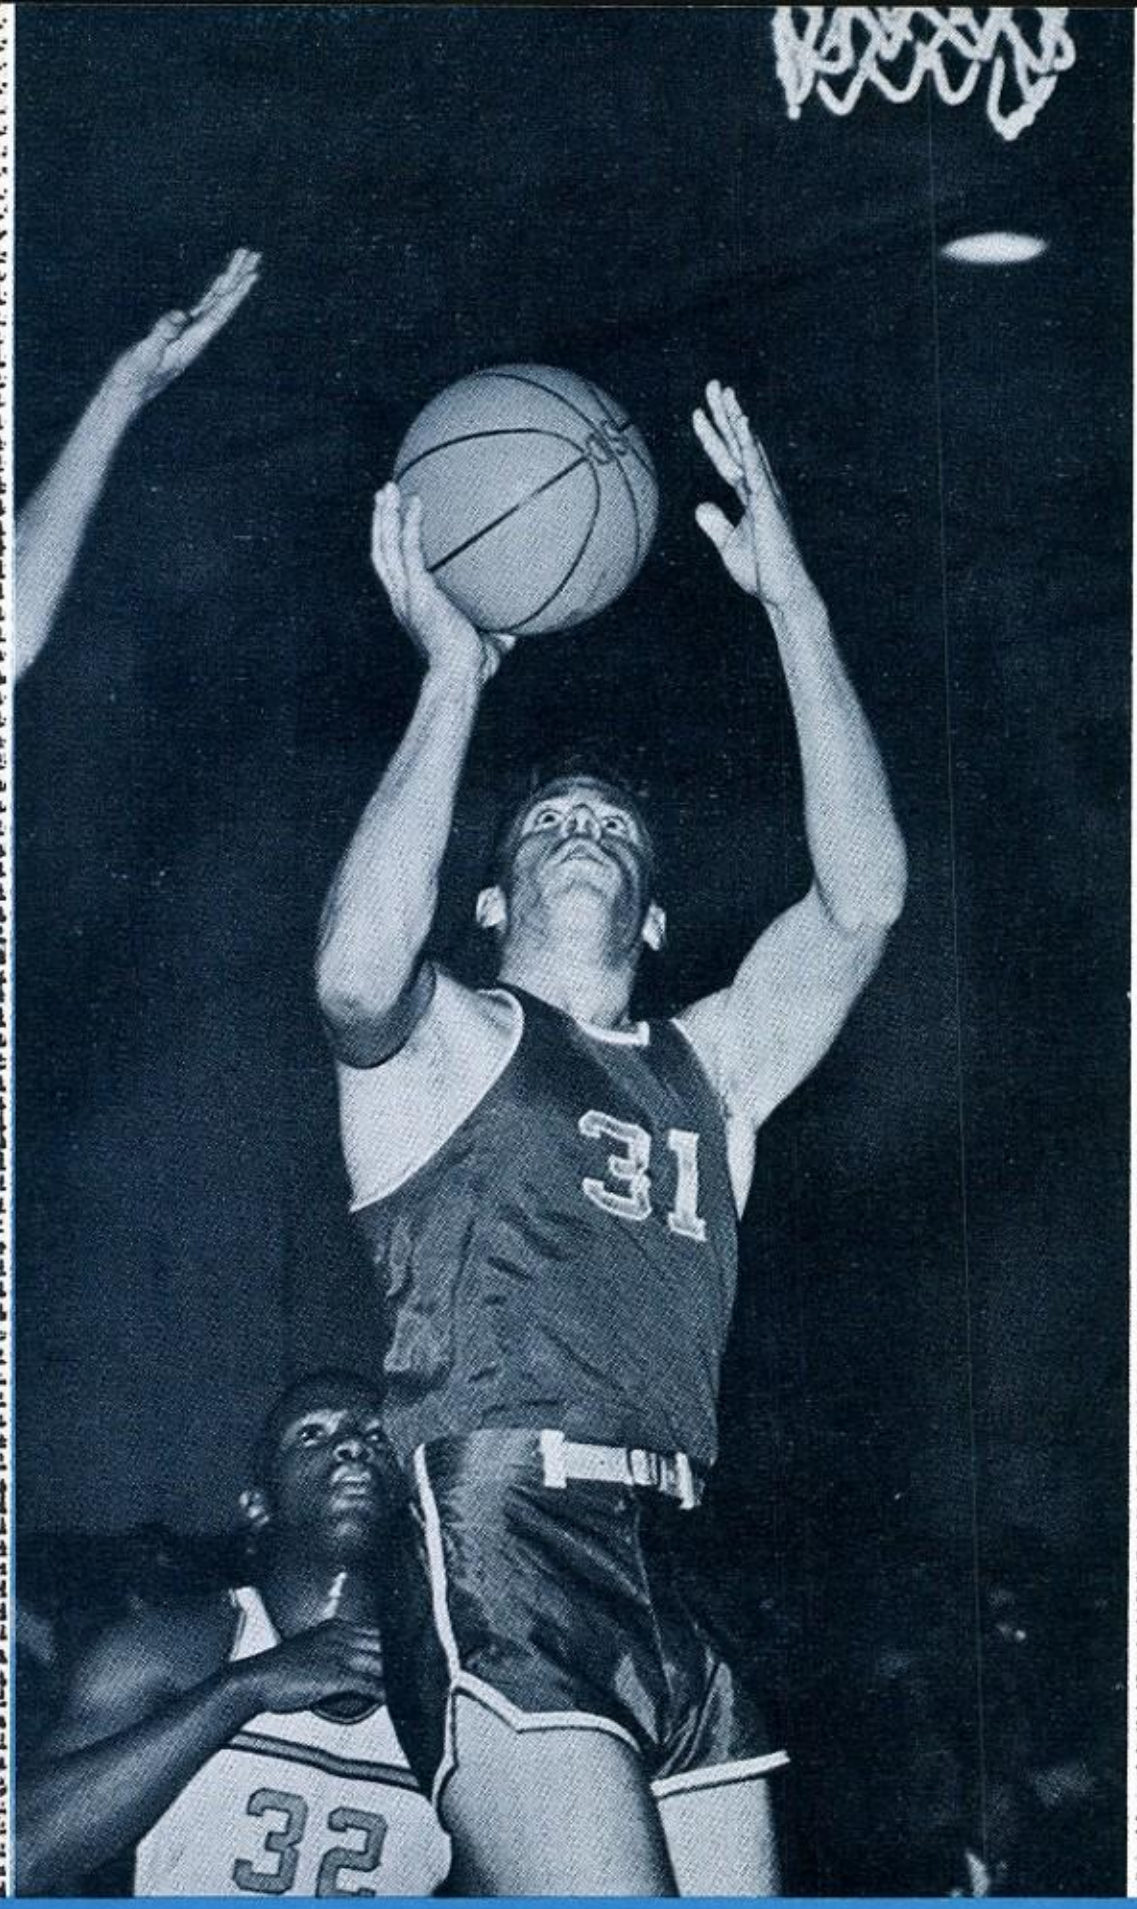
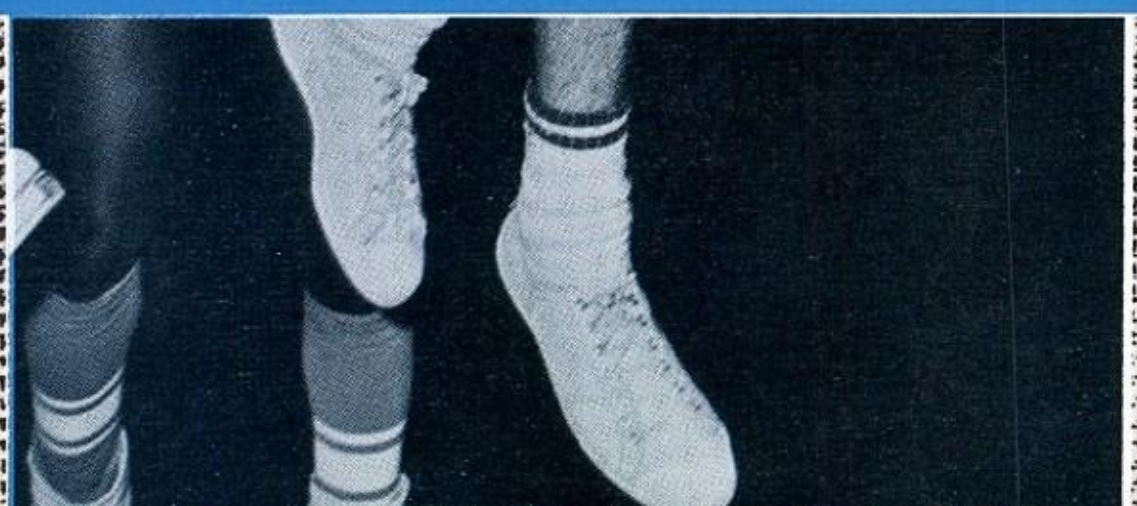
SPORTS



"A healthy mind in a healthy body" How these words of Pius XII ring true! A program of athletics has as its goal to educate the men of St. Augustine in coordination and health. In each successive year we have fielded athletic teams whose consistency has proved the worth of sports to even the most skeptical. In every respect, yes, even in sports, we are champions.



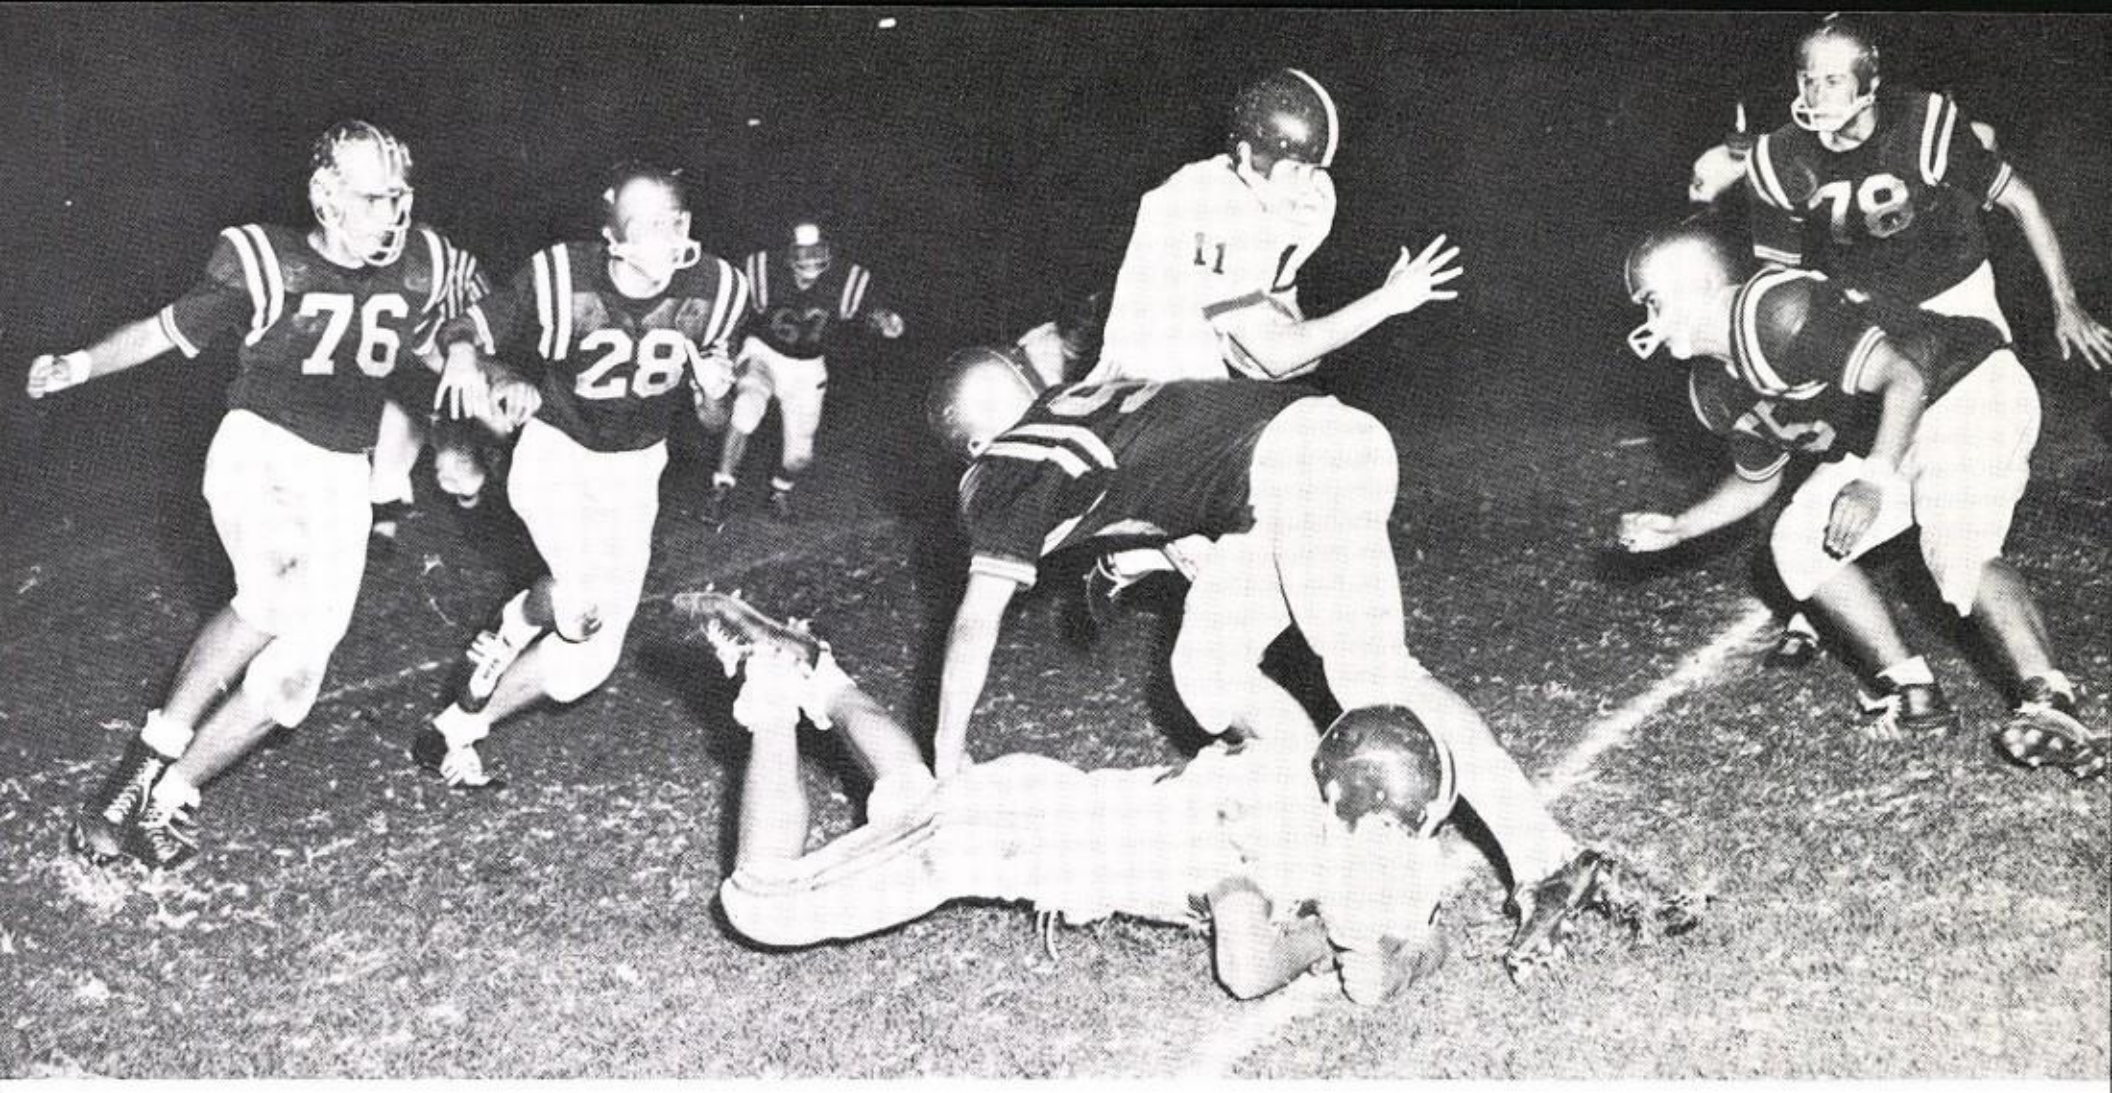
Varsity Football . . .

A Victorious Season

Tom Carter's superb coaching this year produced the third rated team in the county for 1961.

James Moore, our leading ground gainer, was an All-League choice and voted most valuable back for SAINTS.

Ron Cota, co-captain and strong man on the line was voted All-League and best defensive lineman for SAINTS.



Jose Silva (76), Don Stafford (28), Mike De Domenico (67), John Nettles (90), Ron Cota (55), and Al Oliver (78), get ready to bury a Cardinal.

6-1-1 Record Gains Second in League As Offense Sparkles

The city of San Diego will long remember this year's SAINTS football team. It was the strongest offensive team SAINTS ever produced; the well-rounded backs and ends accounted for 145 points while the tough defense allowed only 34 points. We scored more in the regular season than any other team in the Eastern League.

The team first pitted its strength in the City Prep League Carnival against La Jolla High. During the short scrimmage the two teams battled to a scoreless tie.

On October 27, SAINTS faced Crawford, both had records of 4 wins and no losses. This was the game of the unbeatens and it attracted 7,000 fans to the Hoover Stadium, the largest crowd for any non-championship game and the largest crowd ever at Hoover. The fans were filled with disappointment and disgust when the final gun sounded for the scoreboard read SAINTS 6, Crawford 6.

The next week SAINTS suffered its only defeat when we lost to Lincoln High; it was the first time in the school history that we lost to the Hornets. The rest of the season went fine as we defeated all challengers easily.

Ron Cota, center; Al Oliver, tackle; Rick Graff, defensive end; John Nettles, end; and James Moore, back, were All-League selections. Accredited with Honorable Mention honors were Jose Silva, tackle; Henry Daniels, back; Bill O'Malley, quarterback; and Tom Delaney, guard. Besides these men are others who played superbly, they are: Mike De Dominico, Gene Valles, Mike Carter, Joe Super, Lee Miranda, Mark Lapinski, Mike Petry, Jim Hodge, Dan Valles, Nick Hooker, and Angel Martinez.

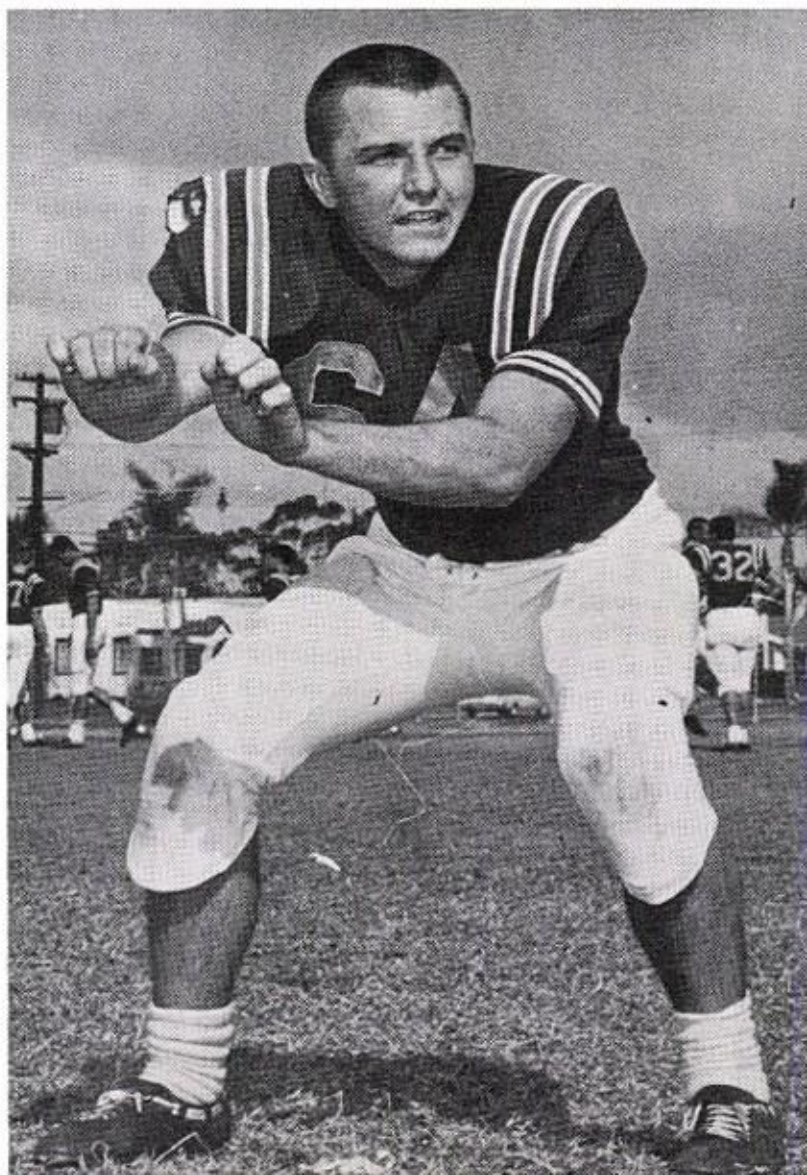
Coaches Tom Carter and Joe Galindo were responsible for this great season. They led the team with their experienced coaching and formed men out of boys and a team out of these men. The team as well as the student body wishes to congratulate the coaches on the fine job they accomplished this season.

Don Stafford grinds past a Spartan tackler for that extra yardage in 32-6 victory over Chula Vista.

Chula Vista Assassinated

The Spartans of Chula Vista were the first team to feel the wrath of the Saintsmen as they were defeated 32-6. Saints broke first into the scoring column on virtue of a 16 yard TD pass from Bobby Ahern to Don Stafford. The Spartans came right back and broke over the goal line from 8 yards out for their only score as they were stymied the rest of the evening by the Saints defense. Then the Saints running attack turned the game into a rout as halfbacks Moore and Daniels scampered 9 and 25 yards respectively to paydirt and fullbacks Hodge and Valles pushed 1 and 2 yards into the promised land.

Rick Graff, All Eastern League guard and winner of the Most Improved Player Award, was one of the stalwarts on the offensive line.



Kearny Burns Out

The Kearny Komets posed one of our toughest games as we fought out a 6-0 victory. Late in the second quarter Kearny nearly scored on a pass play but Tom Delany foiled their chance by committing a pass interception penalty. The infraction brought the ball to our one yard line but the defensive line led by Cota, Graff, De Dominico, and G. Valles held the Komets back three times and the half time gun prevented them from a fourth try. In the 2nd stanza Bill O'Malley marched the team to Kearney's 27 where the Saints sprung little Henry Daniels loose to score our only and deciding goal.

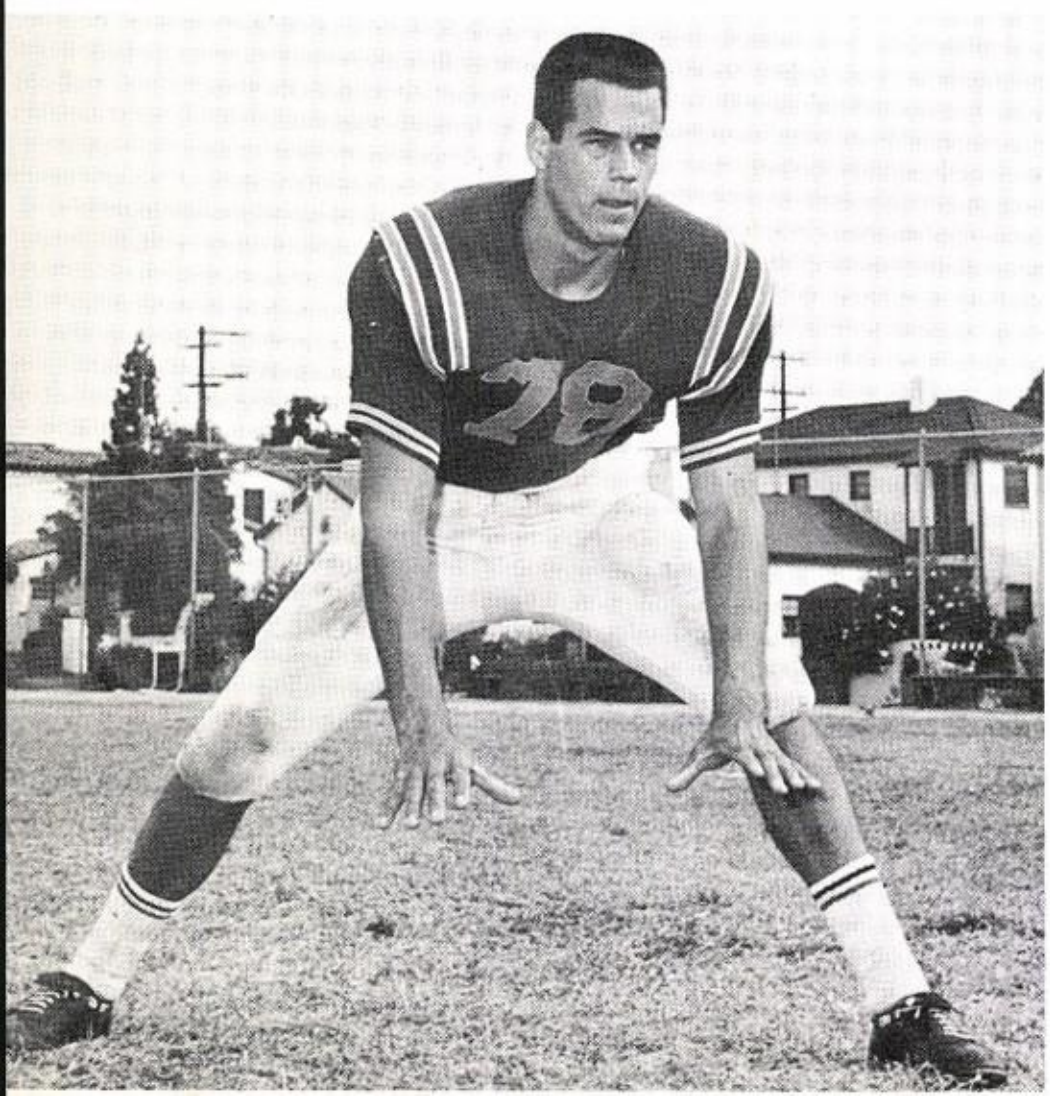
John Nettles, All League end, snags one of his three touchdown receptions in Saints 25-6 romp over Hoover.

Point Loma Leashed

The Pointers whimpered off the field with tails between their legs as an inspired Saints team handed them a 19-0 defeat. Don Stafford drug out eleven yards for one TD and our great halfback Jim Moore scampered eight yards for another tally. It was 12-0 at half time but Bill O'Malley's pass to Ardlin Bartley in the end-zone and Tom Procopio's extra point kick changed the score to 19-0, giving Saints its third victory of the year.

Jim Hodge slips past a determined Pointer.

Al Oliver, a big help to the SAINTS line, captured All-League honors, was selected best defensive lineman



Hoover Humbled

Hoover has proved in the past to be our jinx; this year their charm back fired as we walloped the Cards 25-6. Quarterbacks O'Malley and Ahern sliced the air with passes; John Nettles turned three into eighteen points. Little "Bunny" Daniels romped 35 yards with an O'Malley pass for another score and added the extra point. This was our first league victory and fourth seasonal. John Nettles was made player of the week because of his efforts in this game.

Dan Valles charges by Hornets for a large gain.

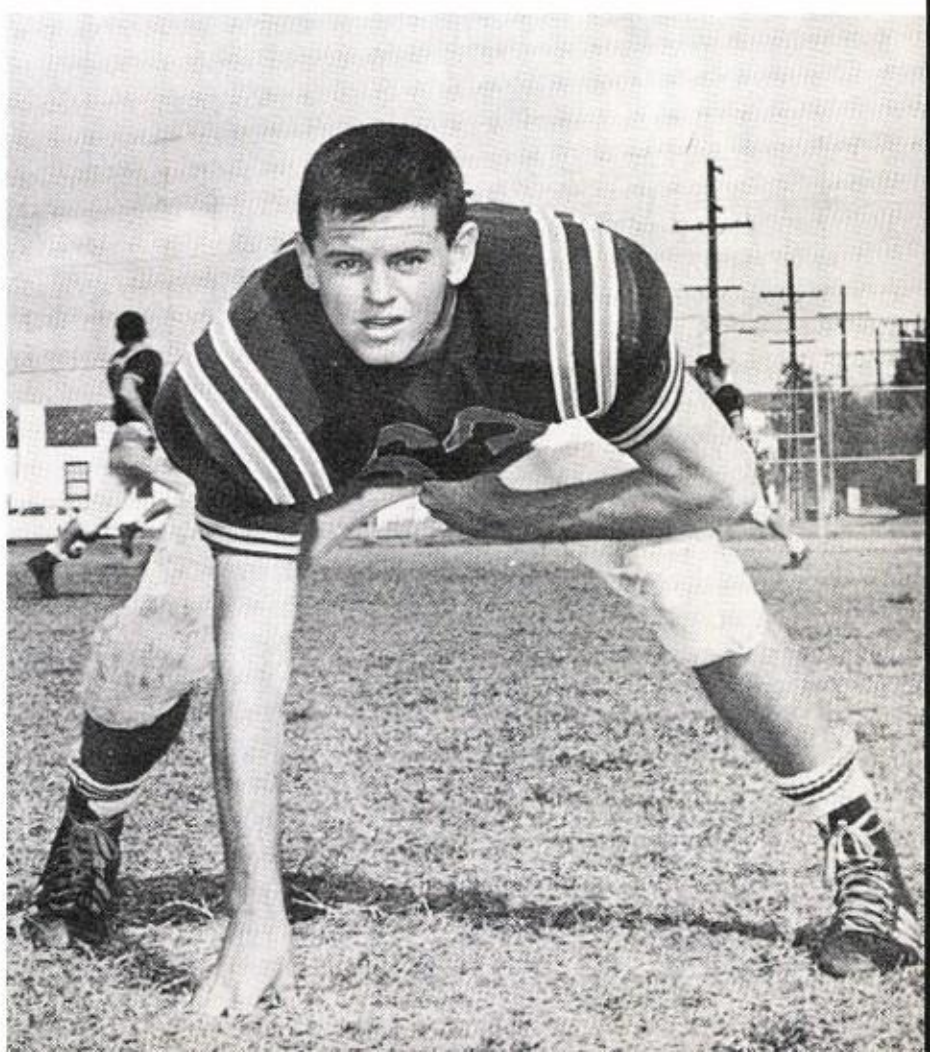
Crawford Ropes a Tie

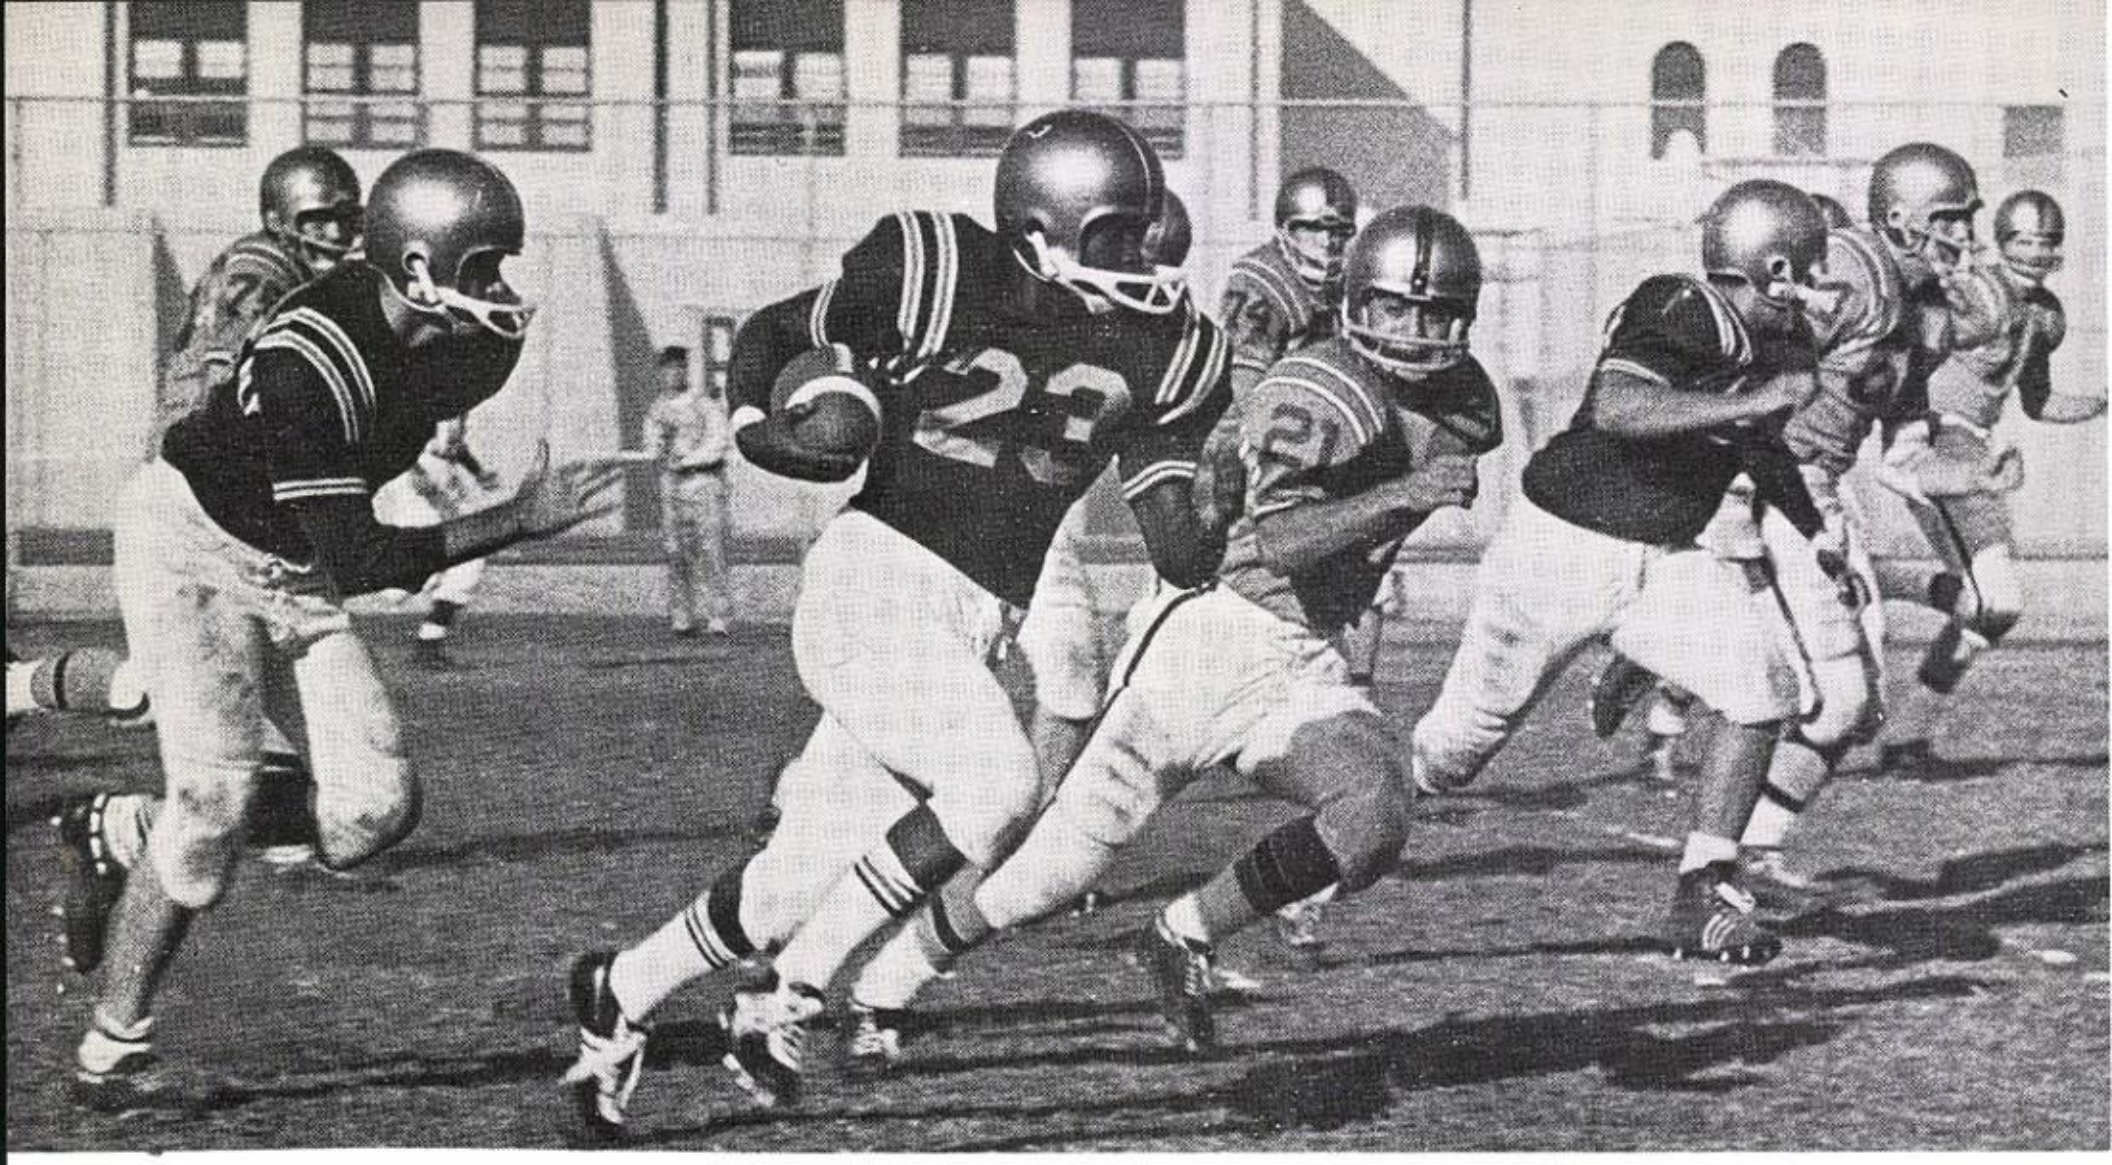
A crowd of over 7,000 jammed the Hoover Stadium to see the game of the year. Crawford and Saints both 4-0 for the season were battling for a victory which could give them the Eastern League title. Crawford drilled off with a 0-6 half time score. After Tom Carter's fiery pep talk Saints returned to the gridiron and behind quarterback O'Malley marched eighty yards for the tieing TD, Jim Moore storming the Crawford barrier for the six points. Tom Delany and Rich McColl deserve credit for retaining the Crawford attacks.

Lincoln Stings

For the first time in our life we felt the Hornet sting, it came at the worst possible time burning our hopes for the C.I.F. crown. The Hornets struck twice in the first half and left with a thirteen point lead of which we could only master six points by Jim Moore.

Tom Delaney, fast guard, was a big asset to the SAINTS team this year and was Honorable Mention in the All-League selections.





Henry Daniels sweeps end in Saints 19-0 victory over Point Loma as Ron Cota clears the way for the Junior scatback.

Mission Bay Drowned

Saint's offensive team, which exploded for over 470 yards on the ground, blew the Mission Bay defense to bits while sinking the Buccaneers 39-0. Jim Moore, who accounted for 229 yards on 13 carries, broke through the Pirate secondary on the first play from scrimmage on a 65 TD scamper to start the Saints scoring. Moore also contributed TD runs of 61 and 2 yards to enjoy his biggest night of the season. Henry "Bunny" Daniels also proved unstopable as he packed the pigskin 13 times for 151 yards and a TD on a scamper from the 14 yard stripe. Other touchdowns were provided by Don Stafford and Bill O'Malley on runs of 10 yards and 1 yard respectively.

San Diego Caves In

To bring our football season to a successful close we beat the Cavers of San Diego for the second straight year. Quarterback Bill O'Malley had his best passing night completing 7 for 7 and 12 points before his first incompletion. He pitched to John Nettles for a 9 yard tally and threaded the needle on a 60 yard pass play to Henry Daniels to complete the scoring. San Diego's only score came from the toe of Joe Jacobo who kicked a 13 yard field goal.

Bill O'Malley, Saints quarterback, led us to many victories with his fine passing arm.

Antl picks up a blocker and starts up field.

Under the able direction of Coach Lou Erber and his fine assistants Coaches Dallas Evans and Joe Di Tomaso, this year's J.V. team, said to be the best ever produced at Saints, captured the Eastern League crown with a record of 4 wins and no losses and a seasonal record of 6 victories and 2 defeats. As testimony to the team's greatness was its upset victory over San Diego High by the resounding score of 25-14.

The team fired up by backfieldmen Phil Clifford, voted most valuable, Jim Antl, Art Snell, Jerry Rinder, Dean Harrold, and Steve Frank plus linemen Dan Ramos, Bill Orricco, Jim Callaghan, Joe Burns, Marco Renteria, Jerry Asher and freshman Dan Vengler, proved invincible.

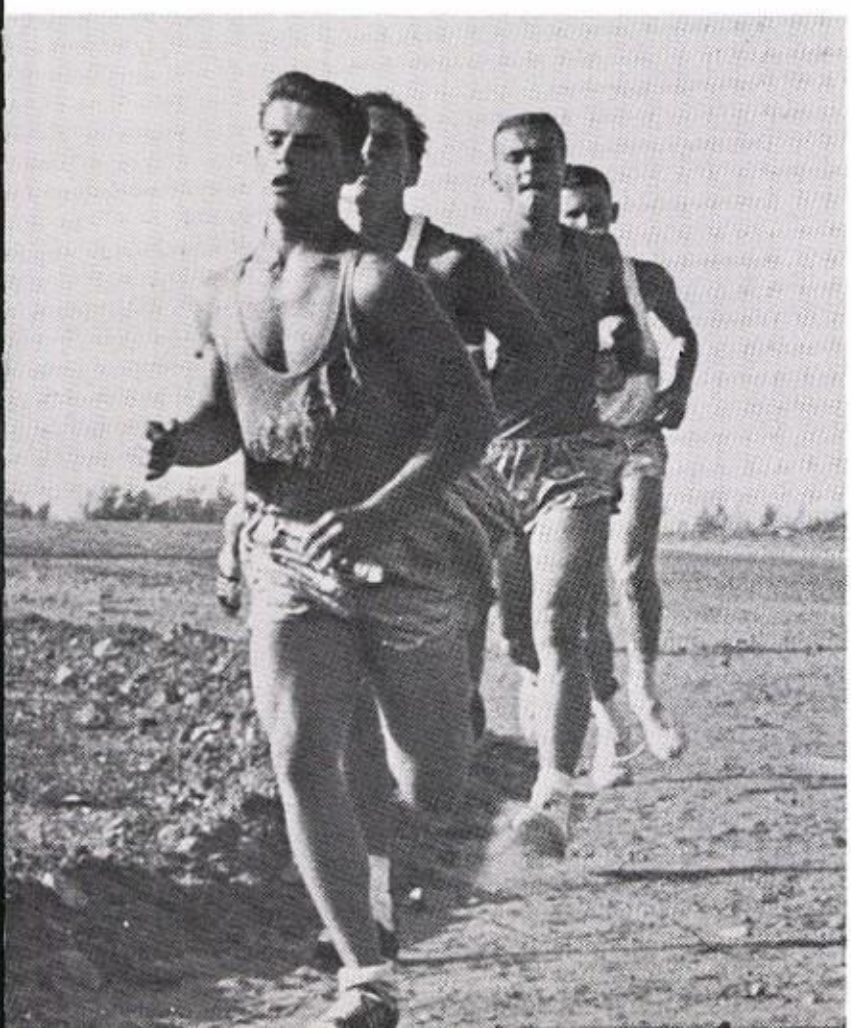
Cross Country Improves

In Coach Hal Mitrovitch's first year as mentor of the Cross Country team, this year's edition showed great promise and improvement. Developing fast toward the end of the season, this year's team should become the nucleus of a strong team next year. Some boys who showed good potential are Sophomore Bob D'Alessandro and Freshmen Carlos Carriedo and Terry McIver.

Junior Steve Bovee sprints to the finish ahead of his pursuers on the Morley Field course.



A lead is enjoyed in the early going by Sophomore Bob D'Alessandro as teammate Dave Zupan starts to move up.

Varsity Basketball

Under the guidance of Coach Hal Mitrovich the Varsity cagers compiled an enviable 14-7 record for the best season in many years. Early season wins over Eastern League opponents gave hope for the title, but a few close losses, and a heart-breaking loss to San Diego 58-63 in the final game, settled the Saints in third place. Victories over powerful Crawford, Clairmont, La Jolla and Point Loma teams were high points in the season.

Hugh McConnell, with a 16.4 game point average, was the high point man on the team. Despite desperate efforts of the opponents to double-man him, he still came through with double-figured point totals in many games. Rich Verlasky, team captain, sparked his cohorts to many a victory with his fiery spirit and fabulous dribbling tactics. His outside shooting piled up 236 points and placed him as second high scorer on the team. Seniors Ed Applegate and Mark Yavorsky played steady ball all season, and Johnny Esquibel was good at relief when the regulars needed a rest.

Bright spot for next year's Varsity will be Mike Shea, a junior, who was on the starting quintet as center. Gary Hoffman, John Santos and Paul Tuomaninen, all juniors, saw little action, but should add much to next year's team. Sophomore Bob Spence, used sparingly this year, will give the needed height and scoring punch for the 1963 hoopsters.

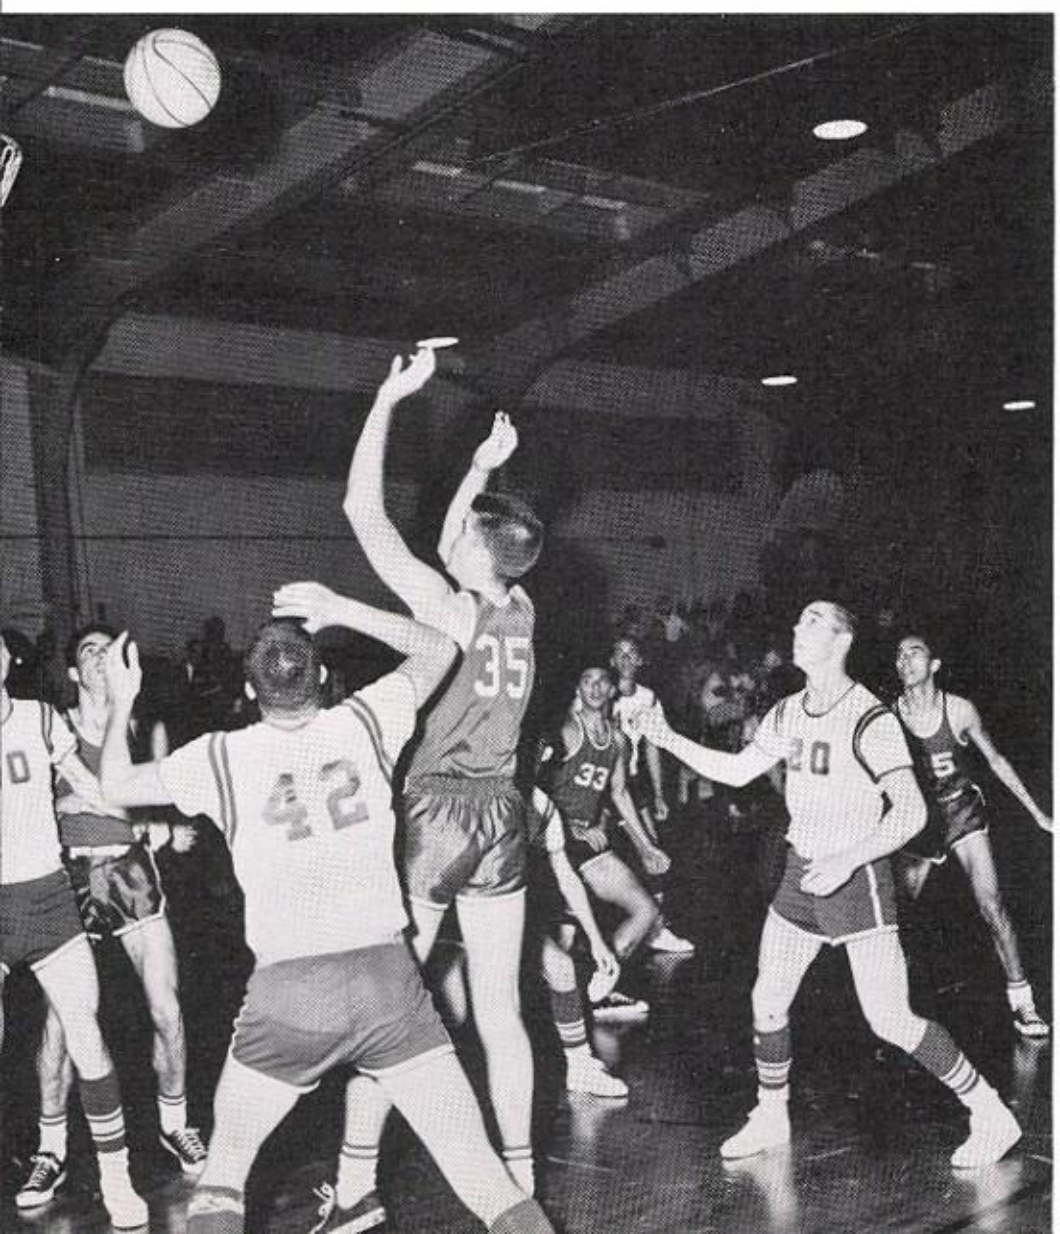
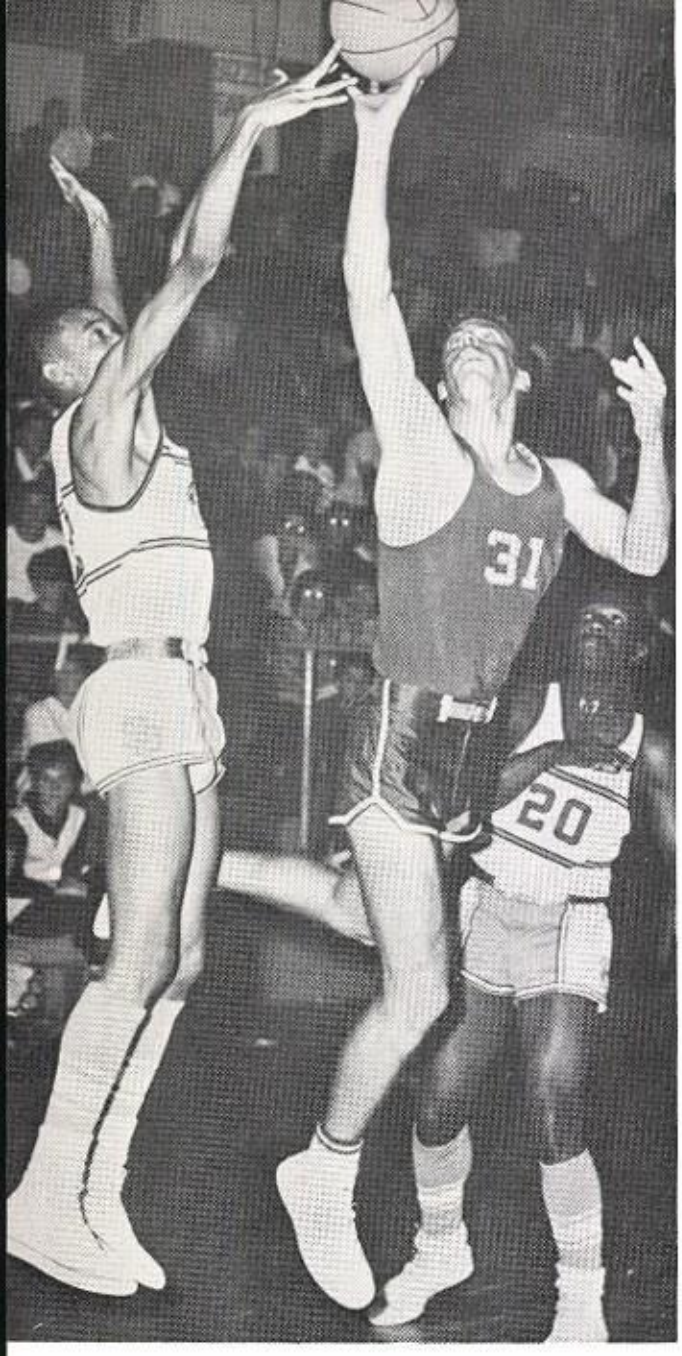
Bob Spence (35) thwarts the Poway defenders as teammates John Santos, George Barrack (33), and John Esuibel (15) watch with approval.





Hugh McConnell hangs in the air just before he adds two points to keep his seasonal average of 16.4 points, the highest in the Eastern League. He also received a trophy for best offensive player on the team.

Ed Applegate eyes two to boost our score. He's the fourth highest scorer on the team with 147 points. Ed's superb back court ability earned him the award for the best defensive player.

J.V. Basketball

Off to a slow start with two losses, the J.V.'s soon found themselves under the capable coaching of Mr. Ray Bonomo in the running for the Eastern League title. Hoover and San Diego proved to be too good, but at full steam the team managed to wrap up the last six games with victories, including a thrilling finale when they whipped San Diego 65-55.

Tom Nettles was the hot gun of the team with 229 points. He was ably supported by Bartley, Avila, Casey and Dunne. Zupan and Frank were noted for their defensive play and Wisniew was good for points when the score was close. Coach Bonomo was pleased with the steady play of the boys, and feels many of them will prove to be fine Varsity material.

Hard Hitting Junior Varsity

Under the tutelage of first-year coach Hal Mitrovich the J. V. showed plenty of spunk and desire which unfortunately were not recorded in the win column. Although losses did outnumber wins. the Patiomen were never regarded lightly by their opponents. Led by the hitting talents of sophomores Jim Antl and Jim Wittemore together with those of catcher Joe Burns, the team scored outstanding victories over Pt. Loma and Helix. Exceptional pitchers for this year's edition were Whittemore, soph Dave Beres and freshman Joe Mendoza who should develop into an outstanding hurler for the Varsity in coming years. Other players of note who should complement our future Varsity squads are Freshmen Tom O'Donnell and John Estrada.

The Annual Football Banquet sponsored by the Fathers' Club was the occasion for the presentation of awards to the outstanding players on the 1961 Varsity and Junior Varsity Football teams.

Athletic Awards Banquets

Basketball players had their night when the Alumni Association presented the First Annual Basketball Banquet and awarded deserving team members.

Appreciation Night

Again this year under the guidance and sponsorship of Very Reverend John R. Aherne, O. S. A. and Saint Augustine High School, public gratitude to the coaches of San Diego County has been manifested by the annual Appreciation Night Banquet. Area coaches and administrators are guests of the San Diego community at an affair designed expressly as an external recognition of their devoted guidance and counseling in secondary grade level athletics. Outstanding men in this field are further recognized for their services by the presentation of awards of various kinds. Featured also is a coach of national prominence as the principal speaker. In the past such outstanding figures as Terry Brennan of Notre Dame, Bud Wilkinson of Oklahoma and Woody Hayes of Ohio State have lent their background in demonstrating their different coaching techniques. This year Paul Dietzel of Louisiana State offered the views gained through long experience with his celebrated teams. Appreciation Night stands as a tribute to the sports-mindedness of San Diego and through it we will continue to project the picture of sports into the public's eye.

ACTIVITIES

It is the purpose of activities to provide a social culture that will balance the culture of the mind. A wise program of sports and social events fulfills all that is desired in the quest of fun. The fine plans of the Associated Student Body for activities have made this a memorable year.

High Mass is offered in the gym.

Father Churbuck speaks on the mission fund.

To Higher Things...

An active spiritual program is synonymous with the name St. Augustine's. Each class period is opened with prayers while a student dialogue Mass is celebrated every Friday. During Mass priests of the faculty are situated at various centers to hear confessions. Days of Recollection are regularly scheduled for each semester. On these days conferences, prayers and meditation are presented to keep the student body, as a whole, and the students, individually, cognisant of their very important role as Catholics.

Catholicism is presented in its missionary aspect to Saintsmen by means of collections for the Augustinian Japanese Mission. The religious bulletin boards carry themes which are both universal in scope and educational in format. Included in an educational vein is the Chaplain's Column, published in the school newspaper, which highlights and expounds upon Catholic principles.

Father Churbuck, the school chaplain, offers guidance and counseling. Personal interviews with the seniors prove to be just one more facet to a diverse religious program.

Cor Unum: Saintsmen Serving Christ

The Cor Unum, organized and moderated by Father Churbuck, the school chaplain, highlights Saints' spiritual activities.

The primary function of the group is to assist the Chaplain in all phases of the school religious program, such as executing the preparations for Mass in the gym, conducting the Mission Drive and arranging the religious bulletin boards. The individuals themselves are to be sanctified by frequent visits to chapel and performance of traditional exercises of Catholic piety.

Each section is represented by three active members. All other members are considered associate members. Membership in the organization is voluntary and over 80% of the student body has enrolled. All members of the Cor Unum are also affiliated with the Augustinian Pious Union of Our Mother of Good Counsel. Officers are: Al Oliver, Student Director, Robert Bortfeld and Richard Rice, Associate Directors.

The Augustinian

The Augustinian's out . . . finally!

Work has proven to be slow and tedious and any achievement of praise has been nil. But the staff and editors of this year's Augustinian can plume in their accomplishments, for they have compiled a newspaper professional in quality, of fresh and stirring tidings.

La Mont Mitchell, Editor-in-Chief, directed the paper with the editorial skill required of a competent publication. Proficiency was shown in the work of Bruce Somers, Sports Editor and Len Weber, Features Editor. Barry Martinson held the News staff, while Bob Simpson worked as Business Manager. Rick Graff was Rewrite Editor, and Allan Preckel led the Photography staff.

Reporters for the news staff were Bortfeld, Calhoun, Devlin, Greenwald, Hedgecock, Kratz, Pepin, Powers (M.), Powers (P.), Simpson, Tellez and Weber. Features staff members include: Fitzgerald, Greenwald, Krajicek, Smith. Sportswriters were Byrom, Jessen, Simpson, Sullivan, duVigneaud. Mr. Harry Monahan served as Advisor.

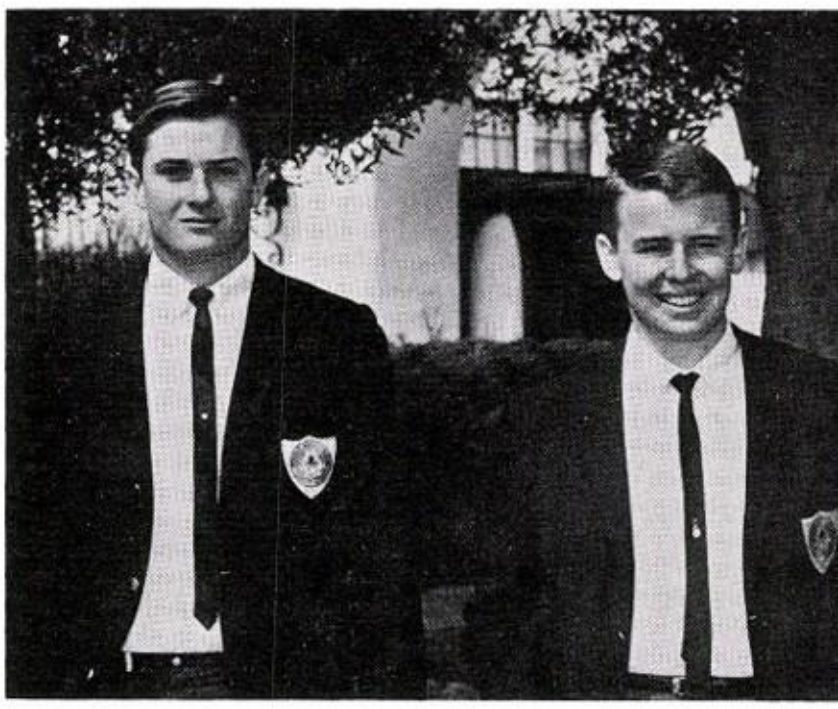
A.S.B.

The Associated Student Body is the life of the school. Where there is life there is movement and energy, and this is shown nowhere better than in the Student Council of Saints' A.S.B. Officers are moderated by Father Anthony J. Wasko, O.S.A. They are: Bruce Somers—president; Bill Baumgarten—vice-president; Leo Sullivan—secretary; Ferdi Reed—treasurer; Bob Bortfield—commissioner of elections; and Mark Yavorsky—commissioner of athletics.

The job of the Student Council is not an easy one. There are dances to sponsor, of which we had nine, including the A.S.B. Ball in February and the Saint Patrick's Day Dance in March. The Student Council has the responsibility of planning for all the rallies during the year. The smooth-running of the rallies attest to the work put in by our officers. The Commissioner of Elections is faced with the complex task of setting in motion the A.S.B convention and forum in May as well as all the class elections throughout the year. The Commissioner of Athletics is responsible for the intramural program throughout the year. Besides these things, the officers of the A.S.B have to perform the endless little jobs connected with student government at Saints, such as buying and distributing beanies for the freshmen, coordinating the activities of the different classes, and the various clubs on the campus, and selling football and basketball tickets.



Ferdinand Reed, Treasurer, Leo Sullivan, Secretary and William Baumgarten, Vice-President.

Robert Bortfeld, Commissioner of Elections and Mark Yavorsky, Commissioner of Athletics.

After the A.S.B Convention to nominate candidates for the student body offices, the nominees present the platforms at the Open Forum conducted the week before elections. Here the candidates for the 1961-62 school year occupy the stage at the Forum.

Dedicated to Saintsmen...

This year the A.S.B. supplied the funds for the landscaping of the area in front of Sullivan Hall in order to offset the Senior Class gift to the school, the statue of Saint Augustine.

All connected with the A.S.B can be proud of the fine work that this group of leaders has accomplished.

Planning-

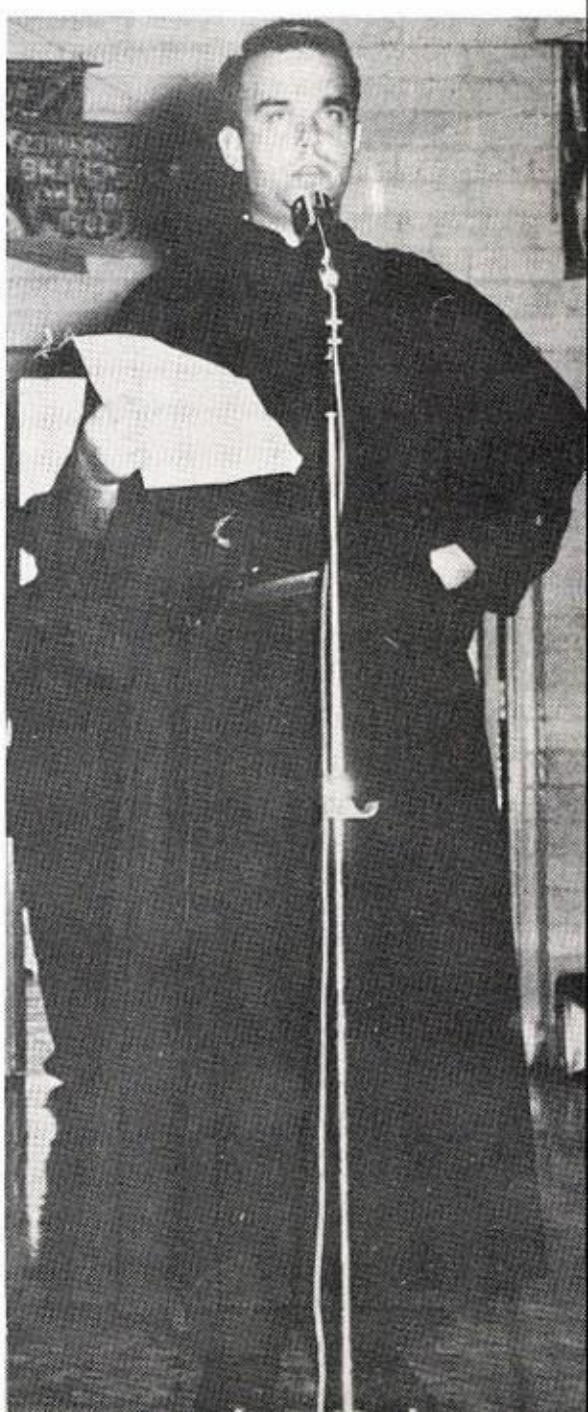
Acting.



Father Wasko, A.S.B. moderator, makes one of his frequent appearances at the mike to exhort the student body to live up to the high ideals expected of Saintsmen.

Our Elite C. S. F. Scholars

The California Scholarship Federation, Saints' branch of this national honor society, remains one of the greatest incentives toward scholastic and extracurricular honors on campus.

Among the society's principal activities is the student tutoring service, offered to any student in need of this service, and the C. S. F. library aide corp, a number of members who perform multifarious library duties.

Due to the emphasis on the activities qualification, this group of C.S.F. members are examples of some of the more active students at Saints.

Officers for the second semester include: Bob Simpson, Secretary-Treasurer, William Baumgarten, President and John Calhoun, Vice-President.

Society representatives participated with distinction in a C.S.F. Knowledge Bowl against Cathedral Girls High School.

This year's organization boasts of eight C.S.F. Sealbearers, or Life Members: William Baumgarten, Robert Bortfeld, John Calhoun, William McGann, Kenneth Sadauski, Bruce Somers, Paul Taylor and Richard Wheeler.

Mu Alpha Theta

Inspecting the prizes awarded on the Math Field Day are Bob Sitcosky, Adm. Dugan (moderator), John Calhoun and Bob Bortfeld.

They Like the Numbers . . .

Under the patient guidance of R. Adm. Paul F. Dugan, moderator, this year's Saints' chapter of the Mu Alpha Theta, a national mathematics association, proved to be very active.

For the first time, sophomores were admitted as associate members and a Mathematics Library was procured for the club's use. Representative members participated in the Occidental College Math Filed Day, the San Diego State College Math Field Day, the San Diego State College Math Contest, the Math Association of America Contest, and the Convair-Astronautics Mathematics Contest. The Math Club also toured the General Atomics plant at Torrey Pines and aided in the Saint Augustine Parochial School Math Field Day, an annual event.

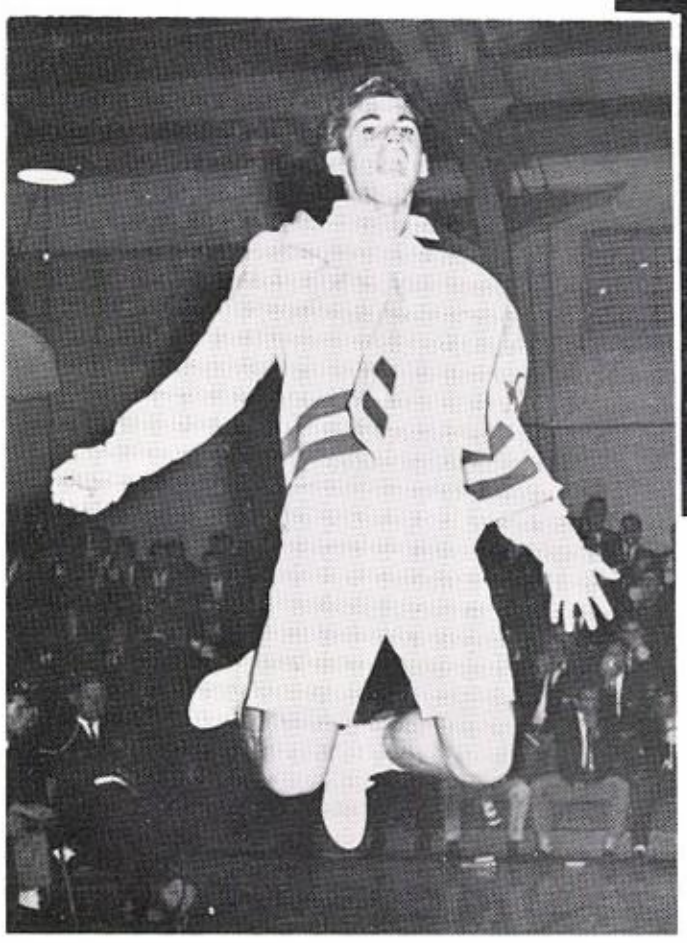
Go, Team, Go!

"Get Ready—on three!" After these words usually follows about the noisiest group of cheers in the county. Bringing out the best in spirit and enthusiasm, this 1962 bunch of cheerleaders inject a spark for pent up emotions and yells. The cheerleaders form an important part at most of the athletic events.

Ron Kinninger, the loudest voice at all rallies, reigns as head cheerleader, while Ed Becker, Mike Buchanan and Charles Talley assist him spirit-wise. Adding beauty and grace to this year's squad are Janet Francese and Mary Mercado from Regina Coeli Academy and Connie Gurno and Carole Ghareeb of Our Lady of Peace.

Mike cheers to V-I-C-T-O-R-Y.



Ron starts the cheer.

Father Gallimore, moderator of the Saint Augustine Pep Society, poses with the society's officers and members.

S. A. P. S.

Completing its fourth year, the Saint Augustine Pep Society, better known as the Pep Club, maintains and encourages school spirit. This enormous task is carried out in several ways.

During the course of the football season the making and sale of "booster ribbons" was carried out. Signs and posters encouraging the team and inciting student body attendance were displayed around the campus. The Pep Club sponsors the cheerleaders. Noon rallies are regularly held and in addition to these duties, the men of the S.A.P.S. make posters advertising dances and other activities which are a part of school life.

Proceeds from the sale of the booster ribbons went to a number of things, including the purchasing of socks for the golf, track and tennis teams. Clocks were bought for the photography dark room and typing room while the pepsters also acquired bags for the basketball team.

Members of the Pep Club prepare the booster ribbons.

Saint's homecoming for '61 was opened with a Requiem Mass in the gym, for the deceased alumni. At 12:30, the big rally of the year began. Guest speakers for the event were alumni Jim Collins and John (Irish) Glenn. Elsie (J.P.) Blushbottom warned the football squad against "those mean, nasty little boys from Crawford", and in a great speech, freshman David Doty told the team they had the support of the forgotten class. Speaking for the team was Al Oliver, who told the assembly that the players would go all out for the game. Coaches Carter and Bowman backed up this idea with fine speeches of their own.

Tension grew unbearable as the game drew near. It was against Crawford, our toughest opponent, and played on the Hoover field. A sell-out crowd witnessed the exciting and well fought game, which ended up in a 6-6 tie. During halftime ceremonies, Queen Barbara Carr from Rosary was crowned. The queen's attendants were Mary Kay Zuelske, Cathedral; Veronica Collins, O.L.P.; and Dorothy Schiewnfurter, R.C.A. The day closed with a Homecoming Dance featuring the Sociables.

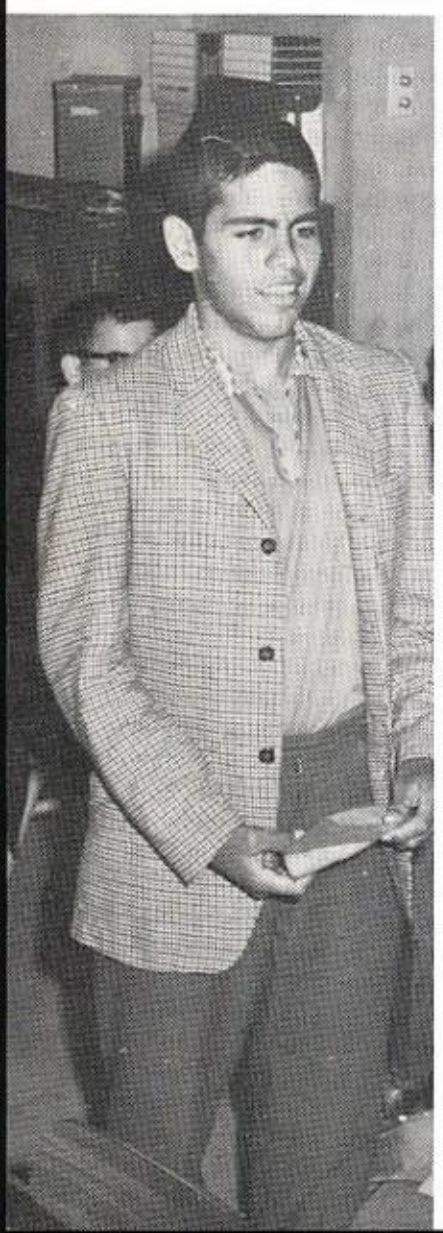
Senior Court

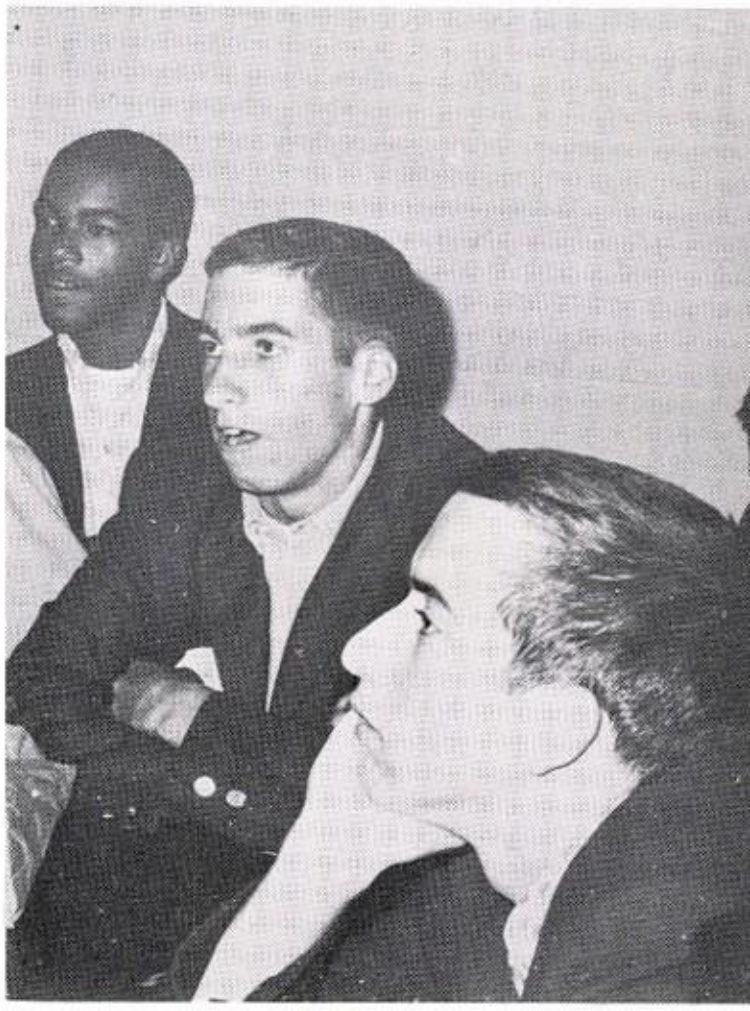
This year's Senior Court is a very active organization, delving out its powers to all four classes. Meeting weekly, the court finds nearly 100% of the cases brought before it guilty: Quite a reputable record. Five judges pass sentence, ranging from writing codes to periods of ground duty.

The Vigilantes, consisting of seniors who have the best interests of the school in mind, summon students before the court for minor infractions of school rules. Any student receiving a summons must appear before the court under a ten point penalty for not coming. Those who repeatedly receive summons often were given heavier sentences.

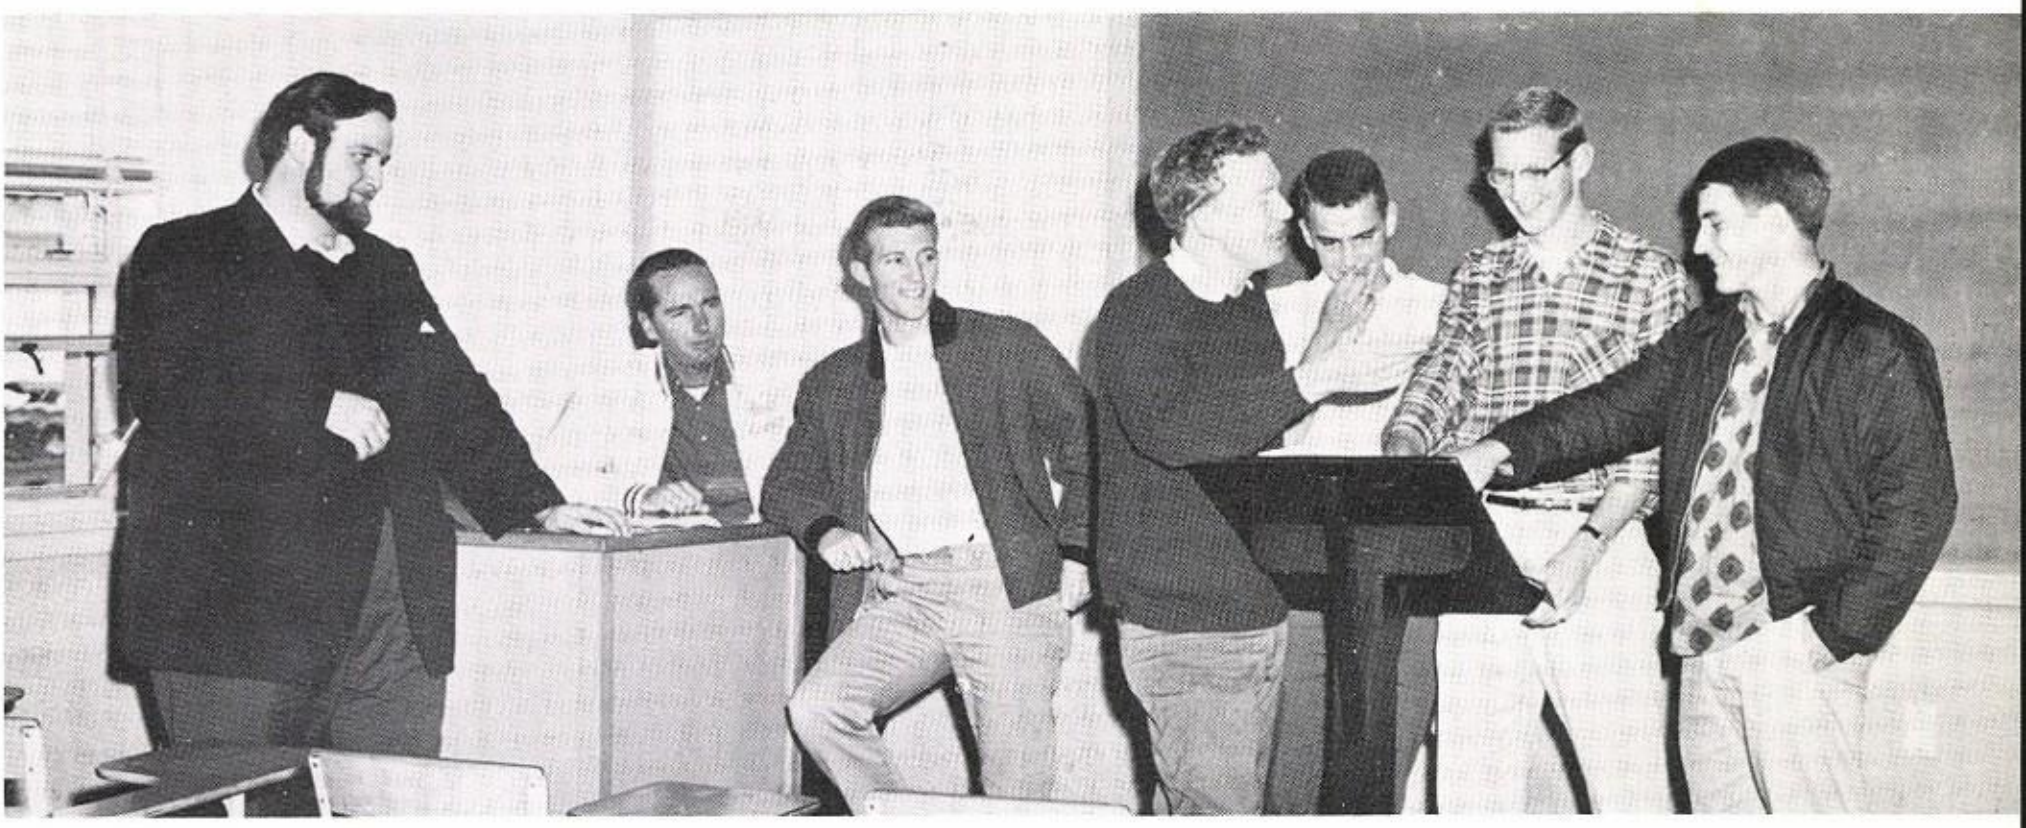
By these means, the purpose of the court is realized: aiding school discipline through student co-operation and student power to correct wrong-doers.



"Gosh, you can't do that to me—I'm just a freshman."



Seniors La Mont Mitchell, Bill Baumgarten and Bill Mascari register pity at a defendant's story.



Victor Buono, Saints' alumnus and celebrated Shakespearean actor, aids Fr. Brown in preparing a number of seniors for a speech tournament.

Speech Club

The Speech Club, moderated by Fr. Brown, has returned to the campus after a year's absence. The club offered instruction in the various fields of public speaking and also participates in many local speech tournaments. Representatives from Saints speak at many of these events incuding the Lions Club Student Speaker Tournament and the San Diego Speech Contest.

Those heading the cast are: Stephen Gillespie as Hamlet and Archie Emerson as King Claudius. Other members of the cast include Sandra Silva, Anne Frick, Gina Jo, Mary Francis White, Harry Damian, Ray Jessen and Arthur Meder.

Tradition

TRADITION, an outlet for various literary endeaverings, finished its second year in a grand fashion with its Spring issue. The magazine brings to its readers poetry, short stories, poems, essays and book reviews provided from Rosary, Our Lady of Peace Academy and Saints' students.

Schola Cantorum

Under the very able direction of Fr. Neely, the Schola Cantorum is completing its fifth year of song of the inimitable Gregorian Chant at Friday Masses. Through its inspirational voicings, the Schola Cantorum proves to be a valuable asset to spiritual life at Saints.

Father Neely directs the student body in song.

Music Club

Music Club members join in song. (L. to R.): James Stiteler, Roger Hedgecock, Thomas Colthurst, James D'Alessandro, Gerald Hermann and Mr. Bonomo, moderator.

Into its third year, the Music Club, moderated by Mr. Bonomo, presents various benefits, including a supply of albums belonging to the school, to its members with the result that the Music Club can boast of the scope the members retain in the classical music area.

The Music Club formed a mixed choir with representatives from the girls' schools. The club also participated in the Band Variety Show.

The Radio Club, moderated by Mr. Bonomo, has come out of hiding to become one of the more active clubs on campus. William Snell, president, and John Pochodowicz, vice-president, are, in part, responsible for the club's new standing. The club, affiliated with the American Radio Relay League, a national organization of amateur radio operators, receives various benefits, including training films. A club station was set up in April, offering the members a chance to study its intricate workings. Included among the members, the club sports five licensed "hams" among a list of potential amateurs.

Radio and Chess

The Chess Club began its first year of play with other schools. Although not rated as crowd-gathering activity, these competitive meets enabled the participants to earn valuable experience. The club, moderated by Mr. Bonomo, completed its eighth year here. Chess games are scheduled twice weekly, with two noon recesses alloted for each game. The ladder system of play sparked competition to a new high. The Chess Club, maintaining its aim of increasing interest and furthering skills in the game, remains a popular club on campus.

Bowling Club

Concluding its third year at Saints, the Bowling Club, moderated by Fr. Berra, remains a member of the American Junior Bowling Congress, and as such, is entitled to various benefits. The club competes with the city schools in a series of league playoffs throughout the school year. Each Wednesday sees the members practicing and perfecting their form at Aztec's lanes. Sparking competitive spirit while retaining a club atmosphere, the Bowling Club promises to remain as popular as in former years.

Alumni Association

The Alumni Association has again supported Saint Augustine's with a number of activities and events which prove invaluable.

Moderated by Fr. Keane, the association made the Fourteenth Annual Football prom possible. At the prom James Moore and Ron Cota were presented with the Outstanding Lineman and Outstanding back awards, respectively. The association also sponsors the annual Parochial School's Basketball Tournament which is held during Christmas vacation. They provide not only these awards, but also, all the trophies that are given to the winners of the intramural sports. Through their conscientiousness they have also set up a number of scholarships for those deserving students who attend Saints.

Officers for this year are: Jack Saucier, president; John Carmichael, vice president; Vincent O'Hara, treasurer and Brendon Shea, secretary.

Austin Guild

The Austin Guild, moderated by Fr. Churbuck, began the year with the Starlight Tea, an annual get-acquainted night. Card parties were held during the course of the year and the profits realized were donated to the school. The big event of the year, the fashion show, entitled "Flores de Primavera" and the annual Band Variety show rounded off the year.

Once again the Father's Club has turned in a fine performance under the leadership of Joe Skibinski, president and Fr. Gallimore, moderator. The highlights of the year included the Football banquet, the Father-Son nights and the Easter Monday Ball. During the course of the year the Father's Club set up a number of scholarships to aid needy students attending Saints and also donated money to the Augustinian Seminary Fund.

A Word in Closing ...

The picture above lacks one important element . . . people. Pictured are many of the tools we used to produce this 1962 SAINTSMAN. But it required the planning of many agile minds, the patience of many busy hands, and countless hours of many devoted students. You have perused the finished product. It has failings, but we who have given of ourselves to it in various ways feel a sense of pride . . . in this book we find ourselves . . . not our faces in pictures, or our names in type, but our ideas, our words, our time. You have read it once, and now you lay it aside. But it will never be an old book, because each time you pick it up it will bring to life again this year which you have lived as a Saintsman!

A word of very special appreciation is due to Joe Busco and Bert Nestor of Busco-Nestor Studios. Their patience, their ideas, and their willingness to aid us in every way possible has been beyond what we can express in words. Many others made contributions, and to each we sincerely voice our words of gratitude.

We confidently hope that you will present with pride this SAINTSMAN to your friends, saying, "This is our annual."
